

iRest Worship Releases its First Album ? Mis Sueños

June 27, 2022

VALENCIA, CA - June 27, 2022 -
Los Angeles, California (May 18, 2022) Promeza Marketing Group -After a long wait of nine years, the praise and worship ministry of Iglesia Restauración Reseda, celebrated the release of ?Mis Sueños?, their first record production, in a face-to-face and dynamic event, on April 30, 2022.

This album features 10 previously unreleased songs from the contemporary praise and worship genre that were born as spontaneous songs at special events and annual retreats organized by the church.

With this compilation of songs, Irest Worship shares experiences and impressions that invite the listener to render sincere worship to God in order to experience the fullness of his love in daily life. ?We are Irest Worship, a community of musicians, singers and songwriters formed in the local church with the purpose of connecting the hearts of the people of the earth with the God of heaven. Our commitment is to be true worshipers who through the character of Christ inspire others to know the Father, to exalt and worship him in spirit and in truth (John 4:23-24).? This is how José Chávez, one of the leaders, composers, and vocalists of the band Irest Worship, shared.

The idea of ??formalizing a musical band was born in the heart of Salvadoran visionary and entrepreneur, Jorge Peña, the senior pastor, and founder of Restauración Reseda church who also served as a member of the board of directors of the Maranatha! Music for more than four years.

In 2013, God led Pastor Jorge to choose and hire six volunteer musicians who had shown to be faithful members of the congregation and had been able to dedicate themselves full time to the church. All this in order to develop their musical gifts by providing them with music teachers and spiritual mentors, with the goal of forming in each one of them a Christocentric and professional character. These six musicians are now members of the church's Irest Worship band.

With over 4,000 members, Reseda Restoration Church is one of the largest and fastest growing multi-cultural congregations in the Golden State. Pastor Jorge Peña along with his team of leaders are committed to the vision of reaching the San Fernando Valley for Christ, through their evangelism teams, connections in family cells, and the foundation of a genuine culture of praise and worship in the church.

?We long to exalt the name of Jesus by promoting the talents and gifts that He has brought to our congregation. We are committed to fulfilling the great commission in the most effective way and marking our generations with the sound of heaven, full of the anointing of the Holy Spirit,? Pastor Jorge Peña said.

Without a doubt, this praise group will make the audience jump to the joyfulness of their contagious songs. Other songs will create an atmosphere of beauty and reverence, thus making easy for the audience to enter an intimate moment with the Holy Spirit. Such is the case of the first single off the album, ?Tú Eres MI Gloria?. This single and the full album are now available on all digital platforms.
