The services provided by the company have earned them an exemplary rating on the Google platform. A recent 5-Star review by Josh Johnson reads, "Just bought our Jeep Wrangler 4XE and have nothing but good things to say about the crew at CDJR. Our sales person, Chris, was new, but incredibly helpful and patient as we tried to find the right vehicle for our needs. No high-pressure tactics, just listening and presenting options. Mike and José answered any additional questions and helped us through the options, and Eric walked us through all the signatures and financing necessary. And when we noticed that the charging cable was missing, they immediately got on the issue and pledged to get it right or get us a new one. Really nice folks."
