July 25, 2022 - PRESSADVANTAGE -

Tropicanna Dispensary and Weed Delivery, a dispensary in Santa Ana, CA, has announced its sponsorship of the 2021 Blading Cup, which has held on November 6, 2021 in Santa Ana. Tropicanna had sponsored a booth at the event, and members of their team were on hand throughout the event to provide answers to questions about the dispensary and to meet competitors and fans. They want to point out to everyone that in spite of the rapid increase in the number of dispensaries in California and the assumption that all dispensaries are practically the same, there are significant differences between the various stores. They want to stress that Tropicanna is more than thus a plant product store and that they are committed to helping the community and in participating in events in the area.

Brittany Rohrbach from Tropicanna Dispensary says, "Tropicanna is a one-of-a-kind marijuana dispensary and weed delivery located in Santa Ana, California. We designed our dispensary to ensure all of SoCal could have an incredible cannabis shopping experience from the moment they enter our doors. And our streamlined check-in eliminates the questionnaire demanding personal information. Tropicanna's menu has been curated to provide only the best of the best for our guests."

And aside from the plant products in the form of flowers, edibles prerolls, cartridges, concentrates, and accessories, Tropicanna also offer various kinds of merchandise, such as T-shirts, outerwear, headwear, and more.

Meanwhile, Tropicanna Dispensary and Weed Delivery has been receiving a lot of highly positive reviews. They have an overall rating of 4.5 stars on Google. For example, Victoria R. gave them a five star rating and said, "Honestly have to say that the customer service at Tropicanna Dispensary is superb! They helped me get my order quickly and correctly. I live in Az and hands down this place beats all the dispensaries I've been to. I would recommend this place to anyone. They deliver too so out of town people this is the spot cuz they come to you! Love love this place!" In another review, Alex Z. also gave them five stars and said, "Great service and attention! It was my first order and I selected the wrong battery and over the phone they advised me and helped me change it. Shipping was also very good and very attentive. Jessica was very kind and patient as they couldn't reach me right away."

The Blading Cup is held every year and this is where top rollerbladers from various countries compete. In 2020, the Blading Cup had competitors from 21 countries from around the world, despite the travel restrictions due to the COVID-19 pandemic. This event has inspired many rollerbladers to practice long hours throughout the year to hone their skills for the Blading Cup intense two-day competition.
