

Time Draws Near For Carpet Cleaning Champaign IL And Nearby Areas Will Be Needing, Reminds Extreme Clean CU

March 09, 2015

March 09, 2015 - PRESSADVANTAGE -

With spring cleaning just around the corner, Extreme Clean CU, an expert in the field of carpet cleaning and care, has announced their latest campaign to help the city of Champaign, IL and surrounding areas. The company offers a variety of highly useful services and cleaning techniques for consumers looking to revitalize their homes after the long winter season.

Extreme Clean CU operates year round, lending their services to homes throughout every season. With so many people trying to ready their homes for warm weather and more visits from friends and family members, the Extreme Clean CU team is ready to help people get their homes up to a standard that they can be proud of.

This carpet cleaning company is located only 4.4 miles from the city center of Champaign, Illinois, making it a quick and easy drive to any client looking for carpet cleaning Champaign IL homes need. Consumers who are interested in other services offered by the company can check out all that the company has to offer by visiting their website at www.extremecleanCU.com for additional information on the company and what they provide to their clients.

The www.extremecleanCU.com website is an easy to navigate with a blog for customer browsing, as well as a contact page, gallery, and convenient customer reviews for new potential clients to see what others have had to say about the company and their services.

For spring carpet cleaning Champaign, IL consumers may also want to consider Extreme Clean CU's pressure washing services for driveway and front walk cleaning. The company has suggested that due to the high levels of salt and grime buildup over the winter season, this form of outdoor washing can increase the aesthetic appeal of any home.

Extreme Clean CU also provides tile and grout cleaning, carpet cleaning, pressure washing, dryer vent cleaning, and even car interior cleaning. Their advanced selection of cleaning options is one of the major advantages that this company seems to hold over competitors who only offer the most basic services to their customers. The Extreme Clean CU gallery provides insight into a number of useful applications that can be utilized in the homes of any customer, including new clients from the Champaign, Illinois area, where the company is really looking to focus their business over the coming seasons.

The company has been very clear in their expressed wishes for interested consumers to contact them during business hours or through e-mail any time of day. This applies to special promotions, quotes on specific services, and any other subject that new and existing clients want to ask the company. With spring looming on the horizon they hope to gain a number of new customers seeking the best for their homes.
