November 13, 2015 - PRESSADVANTAGE -

Penrose Global Brands, based in Cheltenham, England, has announced that their premium travel mug is currently considered to be one of the top 5 best leak proof travel mug on the Amazon marketplace. The company has also revealed that its travel mugs have received numerous positive reviews.

Kieron Penrose, founder of the company, states, "We're not surprised that it's so well received. We designed it to offer the ultimate benefit in a travel mug." He explains that the mug, a current amazon.co.uk best seller, is completely leak proof. He adds, "It is the best for hot or cold drinks on the go, just the way you like them. We've created an oasis of calm for busy people who are tired of having their drink spilled when they're on the go."

In his official statement, Penrose listed the benefits of having a leak proof mug for traveling, and states that their mug fits all of those benefits.

Penrose has announced that the mug had received multiple 5 star product reviews on Amazon's UK site, stating, "We're proud of course, but ultimately, we spent much time fine tuning this mug to ensure that it meets consumer needs." The product has more than 60 reviews currently, with nearly 90 percent rating it as five stars.

The thermos mug is insulated, offering protection for both cold and hot drinks, and gives consumers the ability to lock in the liquid with one click making it spill proof and leak proof. On the company's blog, they explain the benefits, outlining the manufacturing of the mug and offering advice to customers on purchasing and using the product.

The company states that while the mug is a favorite in the UK, but they do not currently ship to the U.S. No word has been given yet on when, if ever, they plan to offer the travel mug for sale in the United States. Penrose does state that given the product's rave reviews, the company is looking at other products to offer consumers that will "make their lives a bit easier."

More about the spill proof coffee mug can be seen on the seller's page on Amazon.co.uk. Those interested can also read about the product, as well as tips and advice from the company, on their official website and blog.
