Nicosia, Cyprus: NewMe Spa in Nicosia takes a holistic approach to wellness, offering an extensive range of services that envelop the whole body with the utmost care. From traditional massage therapies to exceptional facial treatments and the latest body detox therapies, NewMe Spa is Nicosia's hot spot for boosting one's well-being.

Bringing together the most experienced and certified therapists in Cyprus, NewMe Spa has built a solid reputation for providing the most relaxing and rejuvenating experiences in town. The skincare products and oils used for the therapies are of the highest quality, and work in harmony to protect, nourish and repair the skin.

Get this chance to indulge in a range of treatments that will soothe and relax the mind, body, and soul. The long, smooth strokes of a Swedish massage promote relaxation, while the deeper pressure of a deep tissue massage targets muscle tension and pain. For moments of complete serenity, the spa also offers hot stone massage, which combines the benefits of heat therapy with relaxing massage techniques.

Devoted to offering its guests a unique experience for the whole body, NewMe Spa has expanded its list of massage therapies to include head massage to foot reflexology. Each of these services is designed to relieve stress and tension from head to toe.

By focusing on giving clients a one-of-a-kind massage experience, NewMe Spa has become Nicosia's leading local massage services provider. Their commitment to customer satisfaction is evident in every aspect of their business, from the wide range of services offered to the quality of their massages. NewMe Spa is an excellent choice for anyone looking for quality spa services in Nicosia, at a reasonable price.

NewMe Spa

"Our journey began in 2015, in a small room in a shared co-working space. It was from the beginning that we dreamed to eventually grow, with our primary goal being to build a family of staff members who would further our vision."
