November 13, 2015 - PRESSADVANTAGE -

JupiterSEOExperts.com, based out of Florida, made a significant announcement about their SEO Service. They have reached #1 in Google search results for "Best SEO Service for Miami Lawyers." For JupiterSEOExperts.com founder and CEO Joel Carlsen, the days of billboard and Magazine advertisements have passed, and businesses like those of law firms no longer have to spend as much to get more customers to see their ads.

?With technology today we can see exactly where the buyers are and we can pinpoint exactly how to reach them at the exact moment they are looking to engage with a business online,? says Carlsen.

Search engine optimization has leveled the playing field for many business companies and professionals who now have a means to target the customers they want by taking advantage of search engine page rankings.

Carlsen hopes to get business professionals and lawyers in the Miami area to consult with their team of SEO experts to better promote their practice online. As the Best SEO Service for Miami Lawyers, they offer SEO and mobile optimization services that identifies the keywords most users input in search engines when

looking for lawyers in their area. Understanding these keywords helps their team position their private practice to be highlighted at the top of search engine results which exposes more consumers to the services they are offering. Getting ahead of the competition is equally important as more practices are turning to the positive long term effects of SEO optimization to drive more traffic and clients to their websites.

On top of SEO, creating relevant content and engaging with their target audience is also critical to get more search engines to link to their site which leads to massive exposure throughout many platforms.

JupiterSEOExperts.com and their team of experienced consultants know exactly how to use these areas to benefit law firms and other types of businesses. They provide a free competitive analysis to understand where business websites stand in comparison to competition. They also offer a free consultation so business professionals can understand how their websites can be optimized to get the results they need to market their practice to more clients and get them to keep coming back.

Business professionals or lawyers in Miami who would like to get to know more about Jupiter's SEO services, should visit the company's website at JupiterSEOExperts.com.
