

Roofing Company in Baton Rouge Metro Area Louisiana Offers Free Inspection

July 19, 2022

July 19, 2022 - PRESSADVANTAGE -

Mighty Dog Roofing of Baton Rouge Metro, based in Baton Rouge, LA, is pleased to announce that they are ready to conduct a free inspection for homeowners and other property owners in the Baton Rouge Metropolitan Area. They use drone technology to provide credible and verifiable inspection data from smart intelligence analytics. They will first determine the baseline health of the roof, using a thorough and comprehensive inspection. They will store their roofing service records and measurements information, including the history of any repairs and replacements done, kept in a customer vault.

The drone inspection that is performed is important because of a number of reasons. First of all, this is an innovative technology that ensures the best possible non-biased reporting. Second, realtors are very positive about the reporting provided by the inspection as a way to assure the health of a roof before a home sale. Third, many insurance companies approve of the drone inspection technology for claims inspection. Fourth, every inspection report also includes weather data. And finally, the drone inspection report will also be useful for apartment complexes and home owners associations.

Gage Corte from Mighty Dog Roofing of Baton Rouge Metro says, "When it comes to your home's exterior, Mighty Dog Roofing delivers top-of-the-line services matched with the neighborly customer care our clients have come to love. Our team of skilled experts will conduct a free, detailed inspection of your home, treating it as our own. Whether your home needs a simple repair or a full roof replacement, expect to receive the transparent guidance you deserve. Whatever the case, our team will work to meet your safety and budget needs. We take pride in operating with quality material, hiring skilled roofers, and providing our customers with a high-quality experience. See for yourself; our reviews say it all. Schedule your free, home inspection today."

Various important data about a customer is stored in the Mighty Dog Customer Vault, including: annually updated drone information; warranty information; photos and videos; manufacturer information; insurance

information and reports for the customer's realtor and insurance agent; repair records; annual reminders for inspection; tracking of all repairs and replacements with dates, products and services used; baseline of the health of your exterior with our free 25 point inspection; tracking and maintenance of all warranties used; storage of all pictures, videos, measurements, and drone footage; and database of materials installed. They will work directly with the realtor of the customer during the sale of the home to optimize the selling price. They will also work directly with the customer's insurance company, sharing all necessary documentation. They will also make sure that emergency repairs for their Watchdog Maintenance Members are expedited. And they will store all insurance information for easy handling of claims.

They use a professional 25 point free inspection approach, including: roof edging; inspection of valleys; nail head inspection; eaves rakes inspection; soffits and fascia inspection; drip edge inspection; roof ventilation and exhaust system inspection; roof sheathing or decking; hip and ridge inspection; furnace caps and pipes inspection; chimney inspection; inspection of step counter flashing; gutters inspection; gutter aprons; plumbing stack inspection; downspouts inspection; inspection of siding; foundation drainage inspection; window inspection; inspection of skylights; a/c unit exterior; attic inspection; storm damage hail inspection; ventilation inspection; and storm damage wind inspection.

Mighty Dog Roofing of Baton Rouge Metro, with over 20 years of experience, is a locally owned and operated provider of roofing and related services in Baton Rouge, LA, and neighboring areas. These include: residential or commercial roofing services, window installation, gutter repair or installation, and siding installation. In addition to roofing, they are also installing a durable rain gutter system or repairing gutter systems, allowing the homeowner to avoid any unexpected expenses in the future. They can install seamless gutter systems, which can be used as cost effective and attractive solutions for avoiding future gutter leaks and damage. Furthermore, they can offer assistance in renovating a home's exterior with the installation of a siding that is maintenance-free. And finally, they can offer window installation services to provide high quality windows that are more energy efficient and secure.

People who are interested in learning more about the services offered by a Baton Rouge Metro roofing company can check out the Mighty Dog Roofing of Baton Rouge Metro website, or contact them on the telephone or through email. They are open from 7:00 am to 8:00 pm, from Sunday to Saturday.
