

Dumpster Daddy Provides Cost-Effective Options for a Dumpster Rental in Cincinnati

July 13, 2022

July 13, 2022 - PRESSADVANTAGE -

Dumpster Daddy, a locally owned and operated waste disposal company, is excited to announce the expansion of its dumpster rental services to Cincinnati and the surrounding areas of Hamilton County. Their roll-off rentals serve a range of residential or commercial clientele and support a broad scope of renovation, repair, remodeling, demolition, and general cleanout projects. Their customers include homeowners, contractors, property managers, and business owners seeking reliable and reasonably-priced waste management solutions on a short or long-term basis.

Upon the origination of his company, owner Ken Schimpf set out on a mission to provide cost-effective and convenient options to have debris and garbage removed without the added hassle of multiple trips to and from a landfill. Their all-inclusive services allow customers to easily and safely load bulky materials into a container at their own pace. Their team of experienced drivers will then carefully remove the container and responsibly dump all waste in accordance with local regulations. Potential customers are invited to browse their website to learn more about their selections and services: <https://www.dumpsterdaddycincy.com/>

Roll-off dumpster rental services are beneficial for hauling away a variety of general waste including refrigerators, mattresses, construction debris, lawn trimmings, appliances, furniture, e-waste, hot tubs, and other forms of garbage. Certain hazardous materials including medical waste, gasoline, motor oils, asbestos, and paint are not permitted to be dumped via containers. Interested parties can view an exhaustive list of accepted materials on the company's website. The professional team at Dumpster Daddy works diligently to dispose of waste using ethical and sustainable practices in accordance with all Hamilton County guidelines.

The company's service areas include Cincinnati, Colerain, Hamilton, Mason, West Chester, and surrounding communities. For an additional fee, delivery can typically be arranged outside of their regular service region. They offer a diverse inventory of roll-off dumpsters and trailers to help support countless waste removal projects for single or long-term use. Their smallest option is a 9-yard dump trailer that measures 10' long by 6' wide by 4' high and begins at \$350 for up to three days. This option includes two tons of waste disposal with extra weight available for purchase at \$60 per ton. Additional days can also be purchased at \$25 per day.

Their 12-yard dump trailer begins at \$375 for up to three days of rental time and measures 14' long by 7' wide by 3'8" high. Two tons of waste disposal are included with extra weight available at \$60 per ton. Additional days can also be purchased for \$25 per day.

Their 15-yard roll-off dumpster begins at \$400 for up to three days with two tones of waste disposal included. It measures 14' long by 7' wide by 4' high. Additional days and weight can be purchased for \$25 per day and \$60 per ton.

Their 20-yard roll-off dumpster measures 22' long by 7' wide by 3'6" high and rents for \$500 for up to five days. Three tons of weight disposal are included with additional weight available for purchase at \$60 per ton. Extra days can also be purchased at \$25 per day.

Their 30-yard roll-off dumpster begins at \$600 for up to five days of rental time and measures 22' long by 7' wide by 5'2" high. This option includes up to three tons of waste disposal with extra weight available for purchase at \$60 per ton.
