

AMPLified Radio Show with Ken Rochon, aka Dr. Smiley, and Dr. Andrea Adams-Miller Interview Frank Helring to Share the "BizZne\$\$ BuzZ" for Entrepreneurial Success

July 18, 2022

Hanover, Maryland - July 18, 2022 - PRESSADVANTAGE -

Frank Helring shares the "BizZne\$\$ BuzZ" for entrepreneurial success on the AMPLified Radio Show with Ken Rochon, Jr., Ph.D., aka Dr. Smiley, and Executive Producer, Dr. Andrea Adams-Miller. The hosts interview globally impactful leaders to share, on this on-air programming, how their guests amplify goodness.

The AMPLified Radio Show airs 'LIVE' voice-only every Monday at 11 am eastern at <https://www.voiceamerica.com/show/2501/amplified> on VoiceAmerica Infuencer's Channel.

However, for audience members who desire to watch the 'LIVE' interview on-camera, go to <https://www.facebook.com/AmplifiedWithKenRochon>.

The AMPLified Radio Show influences and inspires speakers, authors, and leaders to share how they positively impact the world. The vision is to amplify good causes, good messages, and good people through

connection and community.

Host Dr. Rochon, and executive producer Dr. Andrea Adams-Miller, examine the struggles leaders encounter and overcome. These answers outline the impact on the world that is successful and positive. For example, they reveal how to be more effective in publicity, publishing, marketing, and social media techniques to gain more exposure and awareness, leading to leads.

Dr. Andrea Adams-Miller shares, "Everyone has a voice with a message to share. The AMPLified Radio Show amplifies those messages through influence, connections, guerilla marketing, networking, photography, social media, strategic alliances, publishing, branding, and technology."

The guest, Mr. Frank Helring, is the CEO and Founder of TheHubmartLLC and the host of BizZne\$\$ BuzZ on VoiceAmerica Business Channel. As an established executive with 45+ years of service, his work encompasses Christian Ministries, Private/Corporate insurance, Public/Philanthropic Enterprises, and Private equities sectors.

His past tenures include: Owning a General Insurance Agency; Executive Director of World Vision of Orange County; and Acting President and CEO of a community-based organization that worked with local governmental agencies.

He has been the COO of Allure Med Aesthetics, Inc. from 2013 ? the present. As President of JMS Consulting Group, a private equities LA firm, he consulted with the VP of Benefits of the NFIB (National Federation of Independent Businesses) to bring boutique benefit offerings to their vast membership.

In 2015, he acted in "Ride The Thunder." He assisted in the movie "Bridging The Gap." This focus intended to reconcile USA Vietnam War Veterans with their ARVN, South Vietnamese Veterans, after more than 45 years of separation.

He officiated three nationally scoped events resulting in hundreds of combat veterans from America and the Army of the Republic of Vietnam (ARVN) reconciling and forgiving one another.

Mr. Helring has recently become affiliated with ORU, the world's first Social-International Transactional Payment Platform. Congruously, he is helping RNetwork's mission. They intend to emancipate transactionally-challenged populaces. These are populations with little to no means of access to global

commerce.

Mr. Helring resides with his wife, Rhoda, in Mission Viejo, CA. Mr. Helring's combination of grassroots community involvement, strategic relationship formation, and continued success as a visionary in corporate and entrepreneurship distinguish him as an invaluable asset to the small business community.

Dr. Ken Rochon, aka Dr. Smiley, owner of The Umbrella Syndicate and Perfect Publishing, is an international keynote speaker, professional celebrity event photographer, marketer, and book publisher of 300+ books. As an author of over 30 books, he desires everyone to leave a legacy for others to learn the wisdom of the life they lead.

Dr. Andrea Adams-Miller is an international keynote speaker, international publicist, and sponsorship acquisitionist at www.TheREDCarpetConnection.com Working with high-level movers and shakers, celebrities, athletes, musicians, and entrepreneurs, she makes dreams come true for visionaries bigger than they ever dared to dream possible.

Adams-Miller achieves this success through her hands-on publicist duties at events, speaking, coaching, and consulting. Additionally, she excels in success through her connections, press releases, hosting radio shows, television and radio appearances, book publishing, photography, and more. She has shared the stage with Anthony Hopkins, Brian Tracy, Les Brown, and more.

Together Dr. Andrea Adams-Miller and Dr. Ken Rochon share their love of increasing smiles per hour (SPH), and they are dedicated to publishing stories of resiliency in the book series 'DOSE of HOPE' to share with the world.

During the broadcast, every Monday, Dr. Ken Rochon, aka Dr. Smiley, co-founder, and Dr. Andrea Adams-Miller, executive director of The Keep Smiling Movement, showcase their guests' stories of resilience.

As leaders of The Keep Smiling Movement, a 501(c)3 mental and dental health organization, they are on a mission. The mission is to save lives with SMILES by creating a DOSE of HOPE to be resilient no matter the challenge. With a dedication to smiles, the movement's unique book series includes the Keep Smiling photojournalism books, the Dose of Hope storybooks, and Hope is Dope storybooks.

These books are a treasure to behold and have some of the most well-known names, thought leaders, and innovators of our time while comingling with heart-centered entrepreneurs who share their stories of resilience. The Keep Smiling Movement mission supports mental health preventatively and responds to

challenges by uplifting people's spirits with their Keep Smiling cards.

Additionally, the organization shows others how to be resilient in times of strife with their photojournalism Keep Smiling book series and their documentary storybook series DOSE of HOPE. Pushing for a movement of love, inclusion, and smiles, the Keep Smiling Movement mental health curriculum can be brought to any corporation, organization, city, or country. Their presentation skills and self-development exercises help participants increase personal mental health to overcome challenges more efficiently through "Resiliency in a Box (Better Outcomes Exponentially)."

An extensive Rolodex assists them in helping others find what they need with referral services for dental, mental, finance, parenting, business, and more. For a free copy of their Keep Smiling e-photobook series, visit <http://thekeepsmilingmovement.org>.
