New MBS Capital Page For Amazon Sellers Now Live

July 26, 2022

July 26, 2022 -
ManageByStats has announced a new page for their MBS Capital service, a funding solution for Amazon sellers which provides options such as Working Capital, Daily Advance, Global Digital Wallet and more. This new offering from ManageByStats positions them to help Amazon sellers in yet one more way critical to their daily and long-term operations. The new page covers a variety of options now available for Amazon sellers to receive needed funding for their business.

?This new service is a smorgasbord of ways for Amazon sellers to get the capital they need,? says MBS CEO, Philip Jepsen. ?We?ve been helping sellers in so many ways for over seven years, primarily with software tools to help them manage and drive growth, but also with a variety of services. This lates, MBS Capital, gives us yet one more way to help.?

The new ManageByStats Capital solution offers options for things like Working Capital, so sellers can get quick access to capital they need to grow, Daily Advances of up to 90% of previous day?s sales, a Global Digital Wallet which allows sellers to receive payment in 180+ countries and multiple currencies, along with a Prepaid Business Card. There are both success-based and revenue based models.

?Some of our options are based on your success,? says Mister Jepsen. ?Terms are based on your success,

which may be more convenient for some sellers. We also have options that work on revenue, as well as other models. In short, there are now many ways to get the kind of funding you need, and to get it on the terms that work best for you.?

For more on ManageByStats and their software tools for Amazon sellers please visit the MBS site or contact the company directly. If interested parties have further questions, ManageByStats may be contacted directly by email.
