

The ProMedia Group of Tampa Names Todd Litchy as New Director of Engineering

July 28, 2022

Tampa, Florida - July 28, 2022 -
Litchy is an industry veteran who brings a wealth of experience. He graduated Cum Laude from The International Academy of Design in Tampa, FL in 2000 where he taught Pre and Post Audio Production. The curriculum included everything from waveform editing with DAWs to Dolby Digital 5.1 Surround Sound mixing. After 5 years working with home theater systems, Litchy moved into commercial AV and back into Pro Audio, including serving as game day support at Raymond James Stadium, maintaining the broadcast AV system and televisions at the stadium.

His qualifications include Crestron and Extron configuration and programming, commissioning AV systems, DSP programming, and AV engineering and design. His credentials include: Avixa CTS-D and CTS-I, Biamp TesiraFORTE certification, Rational Acoustics Smaart V8, Crestron MTA, Crestron NVX, Crestron CTI Core System Programming, Q-SYS Level One, Q-SYS Control 101, Dante Level 2, BSS London Blue, and Harman Certified Audio Designer.

?Due to the growth of The ProMedia Group?s client base and the market?s need for competent audiovisual integrators, it was imperative that we grow our engineering and design department,? notes Ken Avis, CEO. ?Todd Litchy was the right person at the right time. Along with our veteran and newer engineers, we are confident that his leadership and contributions will help The ProMedia Group become the most capable AV design-build integrator in Florida.?
