

Insurance Navy Opens New Location in Palos Hills

July 29, 2022

July 29, 2022 -
Palos Hills, IL - Just a block away from their headquarters, Chicagoland-based insurance company Insurance Navy is opening what would be its 26th insurance office location in Illinois.

?We have extended our insurance products to more states, but Insurance Navy began 15 years ago right here in Palos Hills,? says Insurance Navy CEO Fadi Sneineh. ?Being one of the most in-demand low-cost insurance companies in Illinois, we?re always looking at ways to expand our presence in the communities which we have grown to become a part of.?

Insurance Navy?s new insurance office location is set to be at 7229 W 103rd St and will offer Insurance Navy?s full catalog of insurance products ? going well beyond just low-cost car insurance in Palos Hills. Customers will not only be able to continue to buy insurance online and use the complimentary insurance quote calculator but will now be able to speak directly to insurance agents specializing in renters insurance, homeowners insurance, business insurance, SR-22 insurance coverage, and so much more using the same low-cost approach that has made Insurance Navy so successful.

?All of our insurance products will be readily available as we open the doors to our new insurance office location. The close proximity to our headquarters also enables us to be flexible and provide a whole new level of customer service and more chances to get involved in the community of Palos Hills. As our customer base there will soon find out, we take pride in attending events and sharing the latest in the insurance industry,? Sneineh said.

Insurance Navy does, in fact, attend community events in towns they have prominent locations. Chicago?s Back of The Yards is one such example. Every year Insurance Navy has a booth at their annual Fiesta Back of The Yards, where they hold contests, give out prices, and of course, insurance related services from free insurance quotes to getting started on car insurance policies. Having had its headquarters in Palos Hills since its founding, Insurance Navy is no stranger to the local happenings and looks further to getting further involved.

?Going to community events also helps us gauge and get an idea of everyone?s insurance needs and how much they pay for their insurance coverage. From there, it?s our job to push the limits of how much insurance coverage and the lowest insurance rates we are able to offer,? says Sneineh.

At the same time, Insurance Navy?s website is always open for those who don?t have an insurance office location in their area. In recent times, Insurance Navy has expanded their insurance products and services to states such as Pennsylvania, Ohio, and Tennessee. The online insurance quote calculator remains free to use, and a diverse range of insurance products like SR-22 insurance coverage awaits out-of-town policyholders of Insurance Navy.

Insurance Navy was founded in Palos Hills in 2005 and since then has grown to North, South, and Central areas of the Chicagoland area. They can be reached at their website or at 1-888-949-6289. The new Palos Hills location is once again located at 7229 W 103rd St and staffed with a team of knowledgeable and bilingual insurance agents.
