Hilton Head Island, SC - Artist Irina Rudman, the owner of Lashes n' More, shares her love of eyelash extensions at her studio at 200 Central Avenue, Suite A1-B Hilton Head, SC 29926.

Rudman invites clients to experience the confidence boost that eyelash extensions can bring. The salon owner is a licensed and certified esthetician trained in providing Eyelash Extension Services that complement the clients' beauty. The beauty professional got her license in lash extension over seven years ago. She started learning lash extensions in Russia before she moved to the US.

With her vision to offer the most beautiful eyelashes for women of all ages, Rudman brought her expertise in lash extension to Hilton Head and Bluffton, South Carolina. In addition to her training in Russia, Rudman likewise received lash extension techniques from South Korea. With this, Lashes n' More offers the latest trend with a unique Russian and South Korean flair twist.

Rudman provides natural-looking classic eyelash extensions and volume eyelashes for those who prefer a darker look. Classic eyelash extensions lengthen the natural lashes. On the other hand, volume lashes appear lighter, fluffier, and fuller. The Bluffton lash artist says the best style for their clients depends on the client's preference. Lashes n' More says the best lashes are the ones that can help someone express themselves in comfort and style, whether it's for everyday casual use or wedding/bridal lashes.

The entire team at the Trusted Salon Lash in Hilton Head Island, South Carolina, is committed to providing appealing, natural-looking brows and lashes. Their skilled staff has the knowledge, expertise, and capacity to achieve the desired appearance for clients. Each of them possesses the experience and talent necessary to create long-lasting lashes.

"We strongly care about keeping natural lashes healthy. That's why we use top-quality products and a proper lashing technique. We treat each client as special and consider everyone's eye shape, lifestyle, and personal preferences to create lash looks that are uniquely yours," stated Rudman.

Rudman also hopes Lashes n' More becomes Hilton Head and Bluffton's "go-to" salon. Besides eyelash extension, they also offer Brow Lamination, Lash and Brow Tint, Lash Extension Removal, and Lash Lift.
