Jacksonville, FL - Those who want to get married under the rainbow can now do it without the hassle as Rainbow Notary and Nuptials offers wedding officiant services.

Rainbow Notary and Nuptials makes every couple's dream wedding into reality. They offer Quick Gay Marriage Jacksonville ceremonies. Those who plan to get wed right away can visit the on-demand Rainbow Wedding Chapel. It is located directly across from the Duval County Courthouse at 440 W Adams Street in Downtown Jacksonville, Florida, inside Maddy D's Cafe.

There, they can perform a "married in a minute ceremony." Then they file the couple's license with the Clerk of Courts to make it legal. The wedding chapel is available Monday through Friday from 10 a.m. until 5 p.m. However, they also allow special arrangements outside of these regular business hours.

Rainbow Notary and Nuptials Wedding Officiants can marry couples as a notary or as an ordained minister. They have several members who are ordained through the Universal Life Church and can perform weddings.

As wedding officiants, they also make every wedding official by fulfilling the requirements set forth by the marriage laws in Florida. For those who prefer more planning, Rainbow Notary and Nuptials also helps in organizing the wedding party and even the rehearsal. They work with the couple to build the ideal service for their special day.

"We work with couples to provide personalized vows, vow renewals, commitment ceremonies, beach weddings, and LGBTQ (Same-Sex) weddings. We help to make your special day perfect," the wedding officiant says.

The company's headquarters is located in Jacksonville, but it also serves the surrounding areas of Florida. They provide wedding officiant services to couples in St. Augustine, Daytona, Orlando, Kissimmee, Tampa, St. Petersburg, Sarasota, and Miami.

In addition, Rainbow Notary and Weddings provides a Premarital Course by Dr. Liliana Wolf. Florida mandates a premarital education course to avoid the three-day waiting period and save money.

In addition to wedding officiant services, Rainbow Notary and Nuptials provide virtual notarization. Customers may sign documents using their mobile phone, tablet, or computer from anywhere in the world and then send them to Rainbow Notary and Nuptials in Florida. After receiving the documents, they are quickly delivered to the Florida Secretary of State and returned to the consumers through FedEx.
