Keegan Allen, spokesperson for the company, released a statement about the Holiday launch saying, "We're excited that our brush set is going to be released at the perfect time for Black Friday and Cyber Monday shopping."

Keegan states that the brush set contains tools specifically chosen by a nail art professional to ensure the highest quality of tools available for creating nail art designs. "We think that it will make the perfect gift for the upcoming Christmas shopping season," he states.

The set includes various brushes and dotting tools, as well as a gel tool for creating gel nails. Keegan states that although it's being offered to regular consumers, it contains professional grade tools, so it is also a viable product for nail professionals.

Included in the set are brushes for shading and fanning, as well as for applying glitter and other embellishments on the fingernails. The company states that with nail art growing in popularity, they are pleased to be offering the set that is designed to make it easier for women who are not professional nail technicians to create stunning art designs in a number of colors and styles.

Black Friday shopping begins on Friday November 27 with Cyber Monday on November 30. Customers will be able to purchase the set as Amazon begins their cyber sales for the upcoming Holiday season.

The Clyppi nail brush set is currently on the marketplace and the company states that they are set for offering customers a piece of the Thanksgiving shopping excitement. "It's one of the reasons we timed the launch of the brush set," states Allen.
