August 12, 2022

Youngsville, Louisiana - August 12, 2022 -
Locally owned and operated waste removal company DumpIt.Biz offers convenient and hassle-free options for booking a dumpster rental in Lafayette LA online or over the phone. The company boasts a state-of-the-art website that allows customers to reserve a roll-off container using a smart device including a mobile phone, laptop, tablet, or computer while on the go or from the comfort of their home or work site. Those interested in viewing the scheduling tool or booking online are encouraged to visit the official company website.

Owner Jason DeJean founded his company with the purpose of providing economical and efficient methods of waste disposal for residential and commercial clientele. ?Getting rid of unwanted waste shouldn?t be a stressful process and we?re committed to ensuring our customers have a positive experience when they book with our team,? Jason said, ?It shouldn?t break the bank or inconvenience anyone?s plans to book a reliable rental and we?re here to exceed our customers' expectations with on-time delivery, friendly service, and convenient booking options.?

Roll-off containers are utilized in commercial and residential settings to effectively and safely remove unwanted waste from a job site, yard, home, or other setting. According to the company website, containers are often rented to support housing additions, home remodeling projects, roofing repairs, shed or driveway demolitions, garage cleanouts, and other endeavors. Customers seeking an effective method for loading and disposing of waste at once are encouraged to explore the company website by following the steps below.

DumpIt.Biz offers online booking using its secure scheduling system. From any page of the website, click the green ?Book Now? button or the ?Dumpsters? tab in the menu bar to get started renting a roll off dumpster in Lafayette. Select the debris type (construction and demo or mixed waste) then view the available sizing options. Once customers have decided on the size that will best suit their needs, they can click the ?Book Now? button next to the price point to begin the checkout process. The company accepts all major credit cards via the online system. Once payment is received, customers can expect a confirmation email with a digital copy of the signed contract and receipt.

A broad scope of waste materials can be transported using the company?s heavy-duty roll-off containers including construction materials, furniture, yard waste, hot tubs, and general garbage. In an effort to promote sustainable practices and adhere to all city, county, and state regulations, hazardous and flammable materials, including, but not limited to, industrial waste, oil filters, herbicides, solvents, liquid paints, propane tanks, motor oil, antifreeze, asbestos, and medical waste are not accepted in the company?s containers. According to the company?s official terms and conditions, additional charges may be incurred if prohibited items are found.

The company offers versatile sizing options, including 10-yard, 14-yard, 15-yard, 20-yard, 30-yard, and 40-yard selections for both mixed waste or construction and demolition materials. The price range begins at $250 for the 10-yard construction dumpster, which is inclusive of up to two weeks of rental time.
