The company is proud to provide customers with a variety of rubber tire dumpster choices to meet their diverse needs for completing waste removal projects including restorations, renovations, developments, demolitions, and cleanups. Interested parties may visit the company's website to learn more about the dumpster rental Fraser MI uses for a variety of purposes.

With the goal of offering dependable and cost-effective waste disposal services to Fraser, Michigan, and surrounding areas, entrepreneur Jason Stupera launched Motor City Disposal. ?I saw a need in my community to provide invaluable services that don?t break the bank,? Jason said about his goal of founding his small business, ?Waste disposal shouldn?t be a stressful process, which is why we worked diligently to build our online booking system to ensure customers have a convenient and hassle-free option for reserving a dumpster online with a few easy clicks.?

Rubber tire dumpsters are used for a variety of residential and commercial purposes including garage clearouts, furniture or appliance removal, downsizing, house renovations, roofing repairs, shed construction, and commercial demolitions, among other pursuits. Motor City Disposal offers both short and long-term rental options to best serve the specific needs of its clients.

Customers are encouraged to browse the company?s website and click the pink ?Book Now? button to view available dumpster selections and book online. Once customers have selected the appropriate container size for their project, they can click the pink ?Book Now? button next to the price point to begin the checkout process using the company?s secure system. Customers are able to select their rental timeframe, delivery location, and any other pertinent details about their rental. The company accepts any major credit cards online. Once payment is received, customers will receive a confirmation email including a digital copy of the signed contract and receipt.

Those searching for a conveniently-placed container to collect and remove waste can view the two sizing choices available from Motor City Disposal. The company provides 10-yard and 20-yard dumpsters to cater to single-use or recurring waste disposal requirements. The 10-yard measures 12? long by 6? wide by 4? high and costs $350 for up to seven days. The starting price includes three tons of waste disposal with extra weight available for purchase at $55 per ton. Extra days are available beyond the initial seven-day rental term for an additional $35 per day. This size is commonly hired for home cleanouts, single-room remodeling tasks, carpet or flooring removal, and yard cleanups, according to the company's website.

The 20-yard rubber tire container measures 16' long, 6' wide, and 5.5' high and is available for up to seven days for the initial base price of $450. Four tons of waste disposal is included in the base price with extra weight available for purchase at $55 per ton. Extra days beyond the first seven-day rental period are available at a premium of $35 per day. The 20-yard is commonly hired for house demolitions, garage cleanouts, eviction cleanings, and large household debris clearance.

The company confirms that it can haul a variety of waste, including construction debris, yard waste, furniture, appliances, mattresses, e-waste, hot tubs, and garbage. Toxic and flammable materials such as asbestos, paints, motor oils, and gasoline are prohibited from being hauled away using the company?s containers. Unless express permission is granted by the company before the container delivery, concrete, bricks or blocks, dirt or soil, and shingles cannot be carried out. Customers who violate this policy and load prohibited materials will be fined for each item and the degree of contamination. The business can supply an exhaustive list of unacceptable items. For an extra charge, customers can also have tires removed.

Hundreds of positive reviews published on the company?s Google business profile highlight friendly service and reliable delivery of Fraser MI dumpsters. Customer Pamela Fetzer said, ?I have requested a dumpster three times from Motor City Disposal. I will always call them. They are outstanding. They bring the dumpster the next day. They bring a clean dumpster. They bring it on a driveway safe trailer. If I need help (which I did) with anything I can?t lift up into the dumpster, they offered to help me. They park it safely (with wheel stops) and it opens from the end, which makes loading it so much easier. I am very impressed with this company. We all have garbage, but we all don?t have to have a dirty dumpster!?
