Wild World of History has revealed some interesting facts about the credentials of Professor Larry Schweikart, founder of the business, who has been a professor of history for 32 years. The homeschooling curriculum is based on the book, "A Patriot's History of the United States," by Larry Schweikart and Michael Allen. He is a published scholar with about 40 academic articles in journals, including the Journal of Southern History, Journal of Business and Economic History, and Journal of Economic History.

Here are 11 interesting facts about Professor Schweikart. First of all, he is considered to be an expert in inspiring people of all ages to become interested in world history and especially American history. Second, former President George W. Bush has previously invited him to the White House. Third, many of his history classes at the University of Dayton were standing room only. Fourth, Professor Larry had predicted that Donald Trump will become president even before he got elected. He even wrote a book, "How Trump Won?" ahead of Trump's victory but no one would publish it. Fifth, he is frequently invited as a historical commentator on major news channels. Sixth, celebrities like country music singer Clint Black and quarterback Tom Brady are fans of Professor Larry and his book, "A Patriot's History." Seventh, A Patriot's History can be found on the bookshelf in the Oval Office in the Netflix series, "House of Cards." Eighth, he

has currently written more than 25 books while *A Patriot's History* is in its 35th printing. Ninth, Professor Larry is a movie producer and the creator of *Rockin' the Wall*, how rock music impacted the collapse of communism? and various other movies. Tenth, *A Patriot's History* is used in thousands of college and high school classrooms throughout the US. And 11th, he played as a drummer in a real rock and roll band.

Wild World of History offers several history curriculum packages. They have two Back to School bundles. The first one is American History Curriculum + Autographed Books, which can provide children with a deep understanding of how the country came to be. This bundle includes: a full year of video-based American history curriculum, teacher guidebook, tests with answer keys, extra activity suggestions to reinforce lessons, and a best selling autographed physical book, *A Patriot's History of the United States*. This is appropriate for middle to high school students.

The second bundle is the World History Curriculum + eBooks, which is designed to teach the children real world history with Professor Schweikart, *America's History Teacher*. This can provide the kids with a deep understanding of how the rest of the world had helped to shape America and how the country has coexisted with the rest of the world. This bundle includes: a full year of video-based world history curriculum; teacher guidebook; review questions; tests with answer keys; extra activities to reinforce lessons; and *A Patriot's History of the Modern World* in 2 volumes, in ebook format. This is suitable for middle to high school students.

They also offer the American History Course, which traces the history of the United States from its founding through 1877, the end of Reconstruction. It includes the *Four Pillars* of American exceptionalism: a Christian, mostly Protestant religious foundation; common law; private property with written deeds and titles; and a free market economy.

They also offer the course, *World History Since 1775*, which traces world history, which includes Europe, Asia, Africa, Latin America and the US, from the pivotal year of 1775 to the present in two roughly equally balanced halves.

Wild World of History was founded in 2017 by Professor Larry Schweikart, *America's History Teacher*, who is ready to take students and individuals of all ages on a wild ride to better comprehend what happened in the past and how they helped shape things in the present time.
