Customer Russell Hansen said, ?Rich was great to work with. I?m in Sycamore and he was prompt, on time, courteous, and the dumpster was clean! I rented it for a house clean out and on the smaller bin I fit 5 full size couches plus years and years of old stuff that wasn?t making the cut for the move and I still have about 2o cubic feet of space to fill. Rent from Rish, you won?t be disappointed.?

Another positive review mentioned the company?s guidance helping customer?s make informed decisions on the best roll-off containers to suit their specific project goals. Customer Laurie Hansen said, ?Rich was great to work with. He gave perfect advice for the size container (dumpster/roll-off) for clearing out my house in Sycamore. It was delivered and picked up as promised and it was placed so that access was easy. I recommend this business to anyone in their service area. I love that I could support a local business rather than giving my business to one of the big names.?
