Youngsville, Louisiana - August 12, 2022 -
Locally owned Lafayette LA dumpster rental company DumpIt.Biz provides a range of sizing selections to suit a vast scope of residential and commercial projects. The company regularly works with homeowners, contractors, business owners, and individuals seeking support with short or long-term waste disposal goals. Those interested in learning more about the company?s process, policies, and price points are encouraged to visit the official website.

Jason DeJean founded the company with the mission of offering cost-effective and convenient solutions to all customers. ?Our goal is to be your one-stop waste disposal shop,? Jason said, ?Whether you?re a contractor managing a housing development or a homeowner starting a DIY project, we?re here to help provide everything you need to keep your project on track and under budget.?

The company organizes its vast inventory by construction and demolition projects or mixed waste projects. There are five heavy-duty selections for construction waste, including the 10-yard, 15-yard, 20-yard, 30-yard,

or 40-yard. The 10-yard measures 8? wide by 12? long by 3? high and rents for $250 with up to 14 days of rental time and two tons of waste disposal included. The 15-yard construction dumpster measures 14? long by 8? wide by 3.5? high and begins at $275 for up to 14 days of rental time with two tons of waste removal included. The 20-yard measures 22? long by 8? wide by 5? high and rents for $325 for up to 14 days of rental time with two tons of waste removal included. The 30-yard dumpster measures 22? long by 8? wide by 6? high and rents for $425 for up to 14 days of rental time with two tons of waste removal included. The largest container size, the 40-yard, measures 22? long by 8? wide by 6? high and rents for $750 for up to 14 days of rental time with two tons of waste removal included.

The company also offers mixed waste roll-off containers in a variety of sizes including 10-yard, 14-yard, 15-yard, 20-yard, and 30-yard options. The 10-yard mixed dumpster measures 22? long by 8? wide by 2? high and begins at $350 for up to 14 days of rental time with two tons of waste disposal included. The 14-yard option is available in specific units for shingles, concrete, or dirt and measures 22? long by 8? wide by 2? high. These units rent for $295 with up to 14 days of rental time included. The 15-yard measures 15? long by 8? wide by 4? high and begins at $375 for up to 14 days of rental time with two tons of waste disposal included. The 20-yard measures 22? long by 8? wide by 5? high and rents for $425 with 14 days of rental time and two tons of waste disposal included in the base price. The 30-yard dumpster measures 22? long by 8? wide by 6? high and begins at $525 for up to 14 days of rental time and two tons of waste removal included. The largest mixed waste container, the 40-yard, measures 22? long by 8? wide by 6? high and rents for $850 with 14 days of rental time and two tons of waste disposal included in the base price.

Additional tonnage and extra days can be purchased at $69 per ton and $15 per day. The company partners with reputable U.S.-based manufacturers to carry durable, easy-to-load, and driveway-friendly roll-off containers.

A vast range of materials is not permitted to be disposed of using the company?s roll-off containers including construction materials, yard waste, furniture, and general garbage. In accordance with local regulations, hazardous materials including flammable liquids, medical waste, asbestos, and other materials are prohibited. For a definitive list of unacceptable materials, contact the company directly.
