Jason Stupera, the owner of Motor City Disposal, is a leader in providing dependable and cost-effective waste removal services to the people of St. Clair Shores and the surrounding areas. ?With our business at your disposal, we?re confident your upcoming project will be a walk in the park,? Jason said, ?We consistently earn repeat business from our customers by prioritizing communication and friendly service. We?re here to handle the dirty work of waste management so you can focus on the task at hand.?

Saint Clair Shores dumpster rentals are used for a number of different projects, including cleanouts of

garages and attics, removal of old appliances or furniture, DIY or commercial remodeling, demolitions, and other general waste removal needs. The company offers different plans to fit all types of project needs, such as short and long-term rentals. Whether preparing for an estate sale or managing a commercial sidewalk repair, rubber wheel dumpsters are useful for safely and conveniently transporting waste from a job site to a local landfill with ease.

With Motor City Disposal, customers can select between two sizes of containers to hold and transport their waste. The company offers 10-yard and 20-yard dumpsters to accommodate clients' one-time or recurring waste disposal needs. 10-yard dumpsters are 12 feet long, 6 feet wide, and 4 feet tall, and cost $350 for up to seven days of rental time. Pricing includes three tons of waste removal, with additional weight available for purchase at a cost of $55 per ton. Extended rental periods after the initial seven days are available for an additional $35 per day. Sizes of this dumpster are often used to help with a home cleanout, small renovation projects, and to clean up yards.

Rubber wheel containers are available in 20-yard length and are 6 feet wide, 16 feet long, and 5.5 feet high. They rent for $450 for up to seven days. There are four tons of solid waste that are included in the price; additional weight is available for purchase for $55 per extra ton. Extra days can be rented for an additional $35 per day after the initial seven-day rental period is completed. The 20-yard container is frequently used for large house demolition projects, two-car garage cleanouts, eviction cleanouts, and construction debris removal.

All kinds of waste can be hauled away by companies that supply heavy-duty containers, including building materials, yard debris, furniture, appliances, mattresses, e-waste, hot tubs, and general trash. However, toxic and flammable materials are prohibited, including gasoline, motor oil, medical waste, and paint. Concrete, bricks, dirt, soil, and shingles are not to be transported unless a special container is specially assigned for the job and written permission is obtained from the company prior to the bin being delivered to the customer. If items found in a container are prohibited, customers will be fined based on the number of items found and the amount of contamination. The complete list of prohibited items can be obtained by contacting the company. Tires can be disposed of for an additional charge.

The company?s service area spans across eastern Michigan including the cities Roseville, Fraser, Saint Clair Shores, Eastpointe, Warren, Clinton Township, Harper Woods, Grosse Pointe, Sterling Heights, Center Line, Mount Clemens, Harrison Township, Selfridge Angb, Macomb, Shelby Township, Utica, Hazel Park, Madison Heights, Troy, Royal Oak, Ferndale, Royal Oak Township, Pleasant Ridge, Clawson, Chesterfield Township, New Baltimore, Huntington Woods, Washington Township, Rochester Hills, Berkeley, Ray Township, Oak Park, Lenox Township, New Haven, Birmingham, and other nearby cities.
