

DIP YOUR RIDE

Dip Your Ride Now Offering 10% Discount For All Über Drivers In San Diego

November 16, 2015

November 16, 2015 - PRESSADVANTAGE -

San Diego ? Dip Your Ride San Diego, which is a division of Dip Your Ride LLC, has announced that it will now offer 10% discount to all San Diego Über Drivers. Dip Your Ride San Diego believes that the discount will help Über Drivers earn more money by making driving a great looking car more affordable!

?Our goal is to help local San Diegans have a more enjoyable and exclusive experience while taking an Über,? explains Tony Boucher, President of Dip Your Ride LLC, ?and at the same time bringing in more revenue for Über drivers!?

This new discount includes packages that will help Über drivers upgrade to Über Black...the highest level of

Über driving, offering higher pay. The best part is that all of Dip Your Ride's packages, including the Über Black package, are tax deductible.

Stephen Pack, Dip Your Ride customer service advocate, says that "Über drivers have the opportunity to get a brand new looking car, while having it custom tailored to their personality."

Custom services from Dip Your Ride San Diego cover high-end details, window tint, as well as liquid & vinyl wraps. Dip Your Ride advocates that keeping a clean and well-kept car is key to attracting and keeping more clientele, as well as being safe and sanitary for your passengers. Window tinting offers more privacy and comfortability while adding to your overall look. Liquid wraps change the look of your grills and rims.

"Blacking out rims and grills are one of the most economical ways to reach Über Black. While Vinyl wraps customize and change the entire look of your car, while protecting your stock paint," adds Tony Boucher.

More information on getting basic maintenance of their car or taking advantage of this exclusive Über offer is found on the Dip Your Ride website at www.dipyourridesd.com or contacting Tony at (760) 613-2996 or dipyourridesd@gmail.com.
