

Gift of Scent Launches Subscribe & Save Collection of Fragrance Diffusers and Wax Warmers

August 22, 2022

PFLUGERVILLE, TX - August 22, 2022 -

The Gift of Scent online, a company, is excited to announce the launch of their Subscribe & Save Collection, which includes many of their customers favorite products, and allows customers to save money and time by selecting the common refill items they want to reorder automatically from the company?s vast selection of fragrance products. This includes scented products like wax warmer tarts and melts, aromatherapy diffusers, as well as car and travel fragrance products. By opting for a subscription during checkout, customers can save 10-15% on their most frequently used products, and get refills based on the frequency they specify on a monthly basis.

Among the products available for subscription are several pure essential oils, ?Fragrance Wavers? for ScentSlides, and No-Mess Tarts for wax warmers. Some of their essential oils are Organic, and the No-Mess Tarts from Belle Aroma are an excellent alternative to wax melts that require less heat and offer a more consistent fragrance than wax tablets. According to The Gift of Scent, these No Mess Tarts, which come in a great selection of scents, last 3-4 hours longer than wax as well. Because there is no wax to melt, cleanup is simple, and there is no risk of unfortunate melted wax situations that can be tricky to clean up, as well as incredibly dangerous.

The scent profiles available in No-Mess Tarts are designed to evoke specific locations or feelings, each using a combination of notes to create a scent experience like none other. For example, ?Moonlight Citrus? has a base of neroli and honey, a mid layer of baby powder and jasmine, and a top layer of orange blossom to complete the scent. ?Evergreen? brings in a selection of evergreen tree scents, including cedar, balsam fir, pine, and spruce. Customers can also choose from ?Brown Sugar Biscotti?, ?Vanilla Bourbon?, ?Grape Soda?, and ?Exotic Teak?, as well as several more evocative scents all available through The Gift of Scent?s new subscribe & save program.

Another fragrance product available through the subscribe & save offer from The Gift of Scent is the Individual Fragrance Oil Refills For Plugables® Electric Home Fragrancer and Pier 1® Accent Electric Diffusers, which also come in a variety of scents. Those looking to conveniently refill their Plugables® Electric Home Fragrancer or Pier 1® Accent Electric Diffusers can select scents such as ?Cotton Clouds?, including lemon, lime, lavender, lily, and musk, or ?Sea Breeze?, which includes jasmine, lily, floral, and musk. Each bottle has 24ml of Fragrance Oil, which is expected to last a minimum of 30 days. All the purchaser needs to do is insert the fragrant oil wick into their diffuser and plug the diffuser back in.

Customers so far love The Gift of Scent, leaving many positive reviews about all of their products. One review for the Individual Fragrance Oil Refills reads, ?I was so excited to find this Company. I have a lot of Pier1 Import Plug Ins and I couldn?t find the Refills ANYWHERE. I stumbled upon this Website and I AM SO Happy I did. I found the one?s I wanted. They arrived in no time and they SMELL AMAZING ?. I will order more in the near future. Thank You? This customer, named Robin A., is especially happy at being able to find the necessary refills for her diffuser, and included a photograph of the diffuser along with her review. This diffuser has an anchor on it, with a banner wrapping around the anchor that reads ?Seas the Day". Robin A. Purchased the sea breeze scent to go along with her nautical themed fragrance diffuser.
