Dallas, Texas - August 22, 2022 -
Widdlytinks is an online retailer that has gained widespread popularity for the unique wall art prints that it offers. Much of this is due to the fact that many of them can be personalized in several different ways. This includes having family names, important dates, and locations added to them. But what this online retailer of decorative art prints offers goes way beyond that too. They also have become well known for their seasonal and holiday wall prints. One of the bestsellers of which is their Halloween signs by Widdlytinks. Signs in this festive art collection offer a creative way to take decorating for the spookiest time of the year to a whole new level.

The company spokesperson, Amy Anderson, says, ?As summer goes into fall it means a lot of different things to many people. But here at Widdlytinks, it gets us excited because it means Halloween is just around the corner and that is one of the most fun times of year for us. That?s because we have created a Halloween wall art collection that will help put any decorating you do for this fun and scary occasion over the top.?

Anderson went on to talk about some of the bestselling wall art prints that help make up their highly popular Halloween collection. This includes the very detailed Anatomical Skeleton Vintage Halloween Art. A decorative print that goes above and beyond what plastic pumpkins and hanging paper witches can do to set a fun Halloween mood. Its neutral color scheme and lightly distressed details make it suitable for not only hanging in a favorite Halloween setting but even in a doctor?s office. She also mentioned the Hocus Pocus Black & White Creepy Skull Art sign. A more Gothic piece of holiday lore that makes a fun and creepy addition to any Halloween-themed room. The company representative also pointed out that for those that like a more personalized Halloween sign experience there is always the Industrial Gothic Family ?Boolevard? Halloween Sign in Black or White that can be personalized with a family name.

Anderson also talked about how looks are not the only reason to buy their Halloween and other decorative art prints. Each is placed on archival-grade, non-yellowing paper so they will last generations and the frames

they come pre-mounted on have attached pine stretcher bars to prevent warping. She added they are also ready to hang once they are removed from the protective packaging that they are shipped in. Most of their Halloween and other wall art is also available in several different sizes including large formats. All this combines to make these unique and spooky prints great Halloween decoration ideas.

The company spokesperson stated that all their personalized canvas wall art brings versatile options that will make a big impact on any blank wall they are placed on. Most of their prints are also highly suitable for gift giving and are given as gifts for baby showers, house warmings, weddings, and Mother?s and Father?s Day. Other popular decorative art collections that Widdlytinks has become well-known for include its rustic wall signs, modern industrial wall signs, vintage style wall art, Valentine?s Day signs, Christmas signs, and its Spring and Easter wall art. They even have a unique and uplifting Christian-themed wall print collection. Every print Widdlytinks has created was done with care and attention to detail by the trained eye of an award-winning artist with over 20 years of experience in print design. These canvas wall signs offer personalization options for both home and business environments.
