

Recovery Unplugged Sober Sessions Concert Series Comes Back to Music City

August 26, 2022

Fort Lauderdale, Florida - August 26, 2022 - PRESSADVANTAGE -

On the heels of an incredibly successful comeback in April, Recovery Unplugged Sober Sessions Concert Series is back with a vengeance. The series is coming back to Nashville's Riverside Revival Church and Event Space (1600 Riverside Dr, Nashville, TN 37216) on August 25th and will continue in its loud and proud tradition of featuring the most amazing and inspiring sober artists from around the country.

This month's fully stacked lineup includes Lindsey Hinkle, Graham Nancarrow, Charlie Fenner and Bob Cooper, Zil, Last-Minute Band, and Multi Ultra. Attendees will also have a chance to be part of the action by taking the stage during live-band karaoke. The event is FREE and will be catered by Hattie B's Hot Chicken in Nashville. There will also be an open non-alcoholic bar where guests can sample signature "mocktails" from the house mixologist.

"The goal of sober sessions is not only to give artists in recovery a platform to showcase their inspiring music," says event organizer and Recovery Unplugged alumni coordinator Jonny Phillip. "It's also an opportunity to rally the community around sober empowerment and create a safe, fun, and supportive space for people in recovery and their allies."

Riley Osborne, Recovery Unplugged Nashville's executive director, who was instrumental in bringing Sober Sessions to a larger stage and making the previous event such a success, echoed his partner's sentiments: "Any chance we have to bring fun, pride, awareness, and joy to people in recovery is a chance worth taking. Events like Sober Sessions create a unique opportunity to bring the recovery community together with its supporters while raising awareness and advocacy to help those who have not yet found their way to treatment."

Doors open promptly at 6 PM, with the first act taking the stage shortly thereafter.

Recovery Unplugged is a licensed and accredited treatment provider that uses a music-assisted approach to help clients heal from substance use disorder. Combining traditional elements of care, such as medical detoxification, behavioral rehab, and medication-assisted treatment, with innovative music-focused practices, Recovery Unplugged is the only addiction care provider to fully integrate music into every aspect of our treatment model.

With locations in Fort Lauderdale and Lake Worth, FL; Austin, TX, Brentwood, TN; and Annandale, VA, Recovery Unplugged offers all levels of treatment, including inpatient, outpatient, and online rehab options. Recovery Unplugged is accredited by the Joint Commission on the Accreditation of Healthcare Organizations (JCAHO) and is in-network with most major insurance providers.
