AVENTURA, FL - August 26, 2022 - PRESSADVANTAGE -

IMHO Reviews talks about the upcoming Mindvalley classes and ways to get a discount on Mindvalley Membership. An annual subscription to one of the most popular personal development platforms is regularly sold for \$499. The article shares a \$100 discount for Mindvalley annual membership for all readers and also talks about a way to get a subscription at a reduced price for members of the military, students, teachers, and first responders.

"The price of Mindvalley Membership may seem high but you do get unlimited access to all programs in the catalog plus access to over 500 meditations and other perks. Plus, you learn things that you cannot learn anywhere else from some of the best experts in the world. And if you think about it, the cost comes down to less than \$1.4 a day, even without the discount, which is less than a cup of coffee," explained the owner of IMHO Reviews, Vitaliy Lano.

Mindvalley has over 60 programs in its library. There are eight more courses that will be released soon:

Breathwork for Life by Niraj Naik, Building an Unstoppable Brand by Jeffrey Perlman, Build Your Dream Community by Radha Agrawal, The Art of Manifesting by Regan Hillyer, The Science of Great Sex by Amy Killen, The Science of Personal Branding by Gerard Adams, The Transformational Leader by Monty Moran, and Ultra Presence by Juan Pablo Barahona.

"We, at IMHO Reviews, are very excited to try all of Mindvalley's new Quests. The company hasn't released any trailers yet, and little is known about each course, but judging from the list of trainers, these are going to be amazing programs," said Vitaliy Lano.

The Transformational Leader is the first upcoming course on the IMHO Reviews list. This Quest will be taught by Monty Moran, who is a former CEO of Chipotle, law firm Messner and Reeves, author, and filmmaker. He is already well-known to Mindvalley students because of the entrepreneurship podcast called "Tips On Leadership (With Love) By The Former Co-CEO Of Chipotle" that he recorded on the platform, and his live video call with Mindvalley's founder Vishen Lakhiani that is available on Mindvalley's YouTube channel.

The second course IMHO Reviews talks about is Building an Unstoppable Brand created by a former CMO of Zumba, Jeffrey Perlman, who is known as the master of branding. The information about the course has not been released yet, but there are two podcasts from the trainer that are available on the Mindvalley platform - Create Your Transformational Brand With The Master Of Branding and Jeffrey Perlman on How Billion Dollar Ideas Come to Us where he talks about the importance of how getting in tune with the intuition for achieving success.

The Art of Manifesting is the third upcoming course mentioned by IMHO Reviews. Taught by Regan Hillyer, this program will focus on teaching students how to manifest their reality, attract abundance and achieve their goals. Regan Hillyer is a well-known energetic coach, global speaker, and entrepreneur. She is a founder of Regan Hillyer International, an organization that, according to the company's website, is "dedicated to helping people have it all on their terms, in whatever way that looks like for them." Regan was a guest on several Mindvalley Talks, including "9 Steps to Your Abundant Life", "Explore Your Energetic Architecture System For Faster Manifestation", and "This Is How You Can Manifest Your Ideal Reality", which are available on Mindvalley YouTube channel.

IMHO Reviews article also mentions that to keep their customers happy, Mindvalley offers a 15-day money-back guarantee.
