

Dumpster Rental Company Cherryville NC Increase Inventory

August 29, 2022

Lincolnton, North Carolina - August 29, 2022 -
Drum's Discount Dumpsters, a leading dumpster rental company providing services to Cherryville, North Carolina has added a new vehicle to their fleet as well as increase their inventory of dumpster bins. The move was done in response to the increase demand for waste management in the Cherryville, NC and surrounding area.

Cassondra Drum, co-owner of Drum's Discount Dumpsters had this to say, "We are always looking to improve where we can to continue providing exceptional customer service to our clients. Adding a new vehicle and more dumpster bins allow us to service more customers in need of a solution for the waste and debri from their projects."

Established in 2020, Drum's Discount Dumpsters is a local family-owned company that offers dumpster rentals for jobs such as house clean-outs, garage or storage shed clean-outs or small remodeling or construction projects. The company can serve both residential homeowners as well as commercial customers

such as contractors and construction companies working professionally on a client-owned site. The company offers various size dumpsters including 10 yard, 15 yard, and 20 yard dumpsters for rent to homeowners and business owners. Ordering a dumpster from this company is simplified by their state of the art booking system that can be accessed directly from their website.

Company co-owner Cassanda Drum had this to say, "Making it easy and convenient for customers to place orders any time of day was a huge priority of ours. Customers that know what they need can save a lot of time by ordering directly from our website now. We've also made our website very informative to help even those that are not sure what size dumpster they need. By doing a little research on our website even a person that has never rented from us before can find the right size dumpster they need for their project and schedule the delivery for a date and time that is convenient for them."

Renting a dumpster can be a great option for homeowners that have projects such as cleaning out a basement, cleaning a backyard, or a garage clean out. The homeowner simply fills the dumpster with their debris and leave the rest of the process to the dumpster rental company. When renting from Drum's Discount Dumpsters, they will deliver the dumpster at the scheduled date and time to the homeowner, and pick it up to properly dispose of the waste when notified by the homeowner. That can be a real stress reliver for homeowners who want to save money and time.

An important factor to consider when renting a dumpster is the type of waste a person is planning to put in the dumpster rental. There arelocal and Federal laws governing what can be thrown into a dumpster in most cities. Dumpster rental companies such as Drum's Discount Dumpsters can advise homeowners properly to avoid any issues and help avoid costly penalties for violations.
