Jacksonville, FL - Florida-based company Rainbow Notary and Nuptials continues to elevate its remote notary services in the area.

The company continues to cater to Notary Near Me and throughout Florida and its surrounding areas. Mainly, Rainbow Notary and Nuptials offers notary services in Jacksonville, St. Augustine, Daytona, Treasure Coast, Ocala, Gainesville, Orlando, Kissimmee, Tampa, St. Petersburg, Sarasota, and Miami.

Since its inception in 2018, Rainbow Notary and Nuptials has grown to over a dozen notaries networking across the state of Florida to serve clients across the state. Their notaries can notarize documents wherever they are - whether they are on the other side of town or the other side of the world. Most of their notaries are members of the National Notary Association, and everyone is licensed, bonded, and insured. They also specialize in Mobile Notary and Loan Signing.

They can notarize the following documents: affidavits, financial forms, prenuptial and premarital agreements, loyalty oaths, liability waivers and permissions, power of attorney, legal settlements, and contracts, among others. For a complete list of documents that they can notarize remotely, interested parties may visit https://rainbownotaryandnuptials.com/.

The Remote Online Notarization service provider can notarize documents remotely. Clients can sign anywhere and send them to Rainbow Notary and Nuptials in Florida by smartphone, tablet, or computer. The remote notary public then delivers the documents to the Florida Secretary of State and returns them to the customers the same day via FedEx.

The company assures the legitimacy of the documents by employing Remote Online Notary systems with Knowledge-Based Authentication, which confirms the signer's identity using a driver's license or passport credential analysis. In addition, customers and notaries may use the program to have a face-to-face video conference recorded and saved for ten years, safeguarding and validating the transaction.

Rainbow Notary and Nuptials provides free consultations on their products and services. Furthermore, they provide Wedding Officiant Services. They can marry couples as an Ordained Minister or a Florida Commissioned Notary. They marry all couples, including members of the LGBTQA.

"We provide the ceremony and free consultations with the couple to craft the perfect service for their special day. We make sure to get the license filed with the proper Clerk of Courts," they state.

The Rainbow Wedding Chapel is also open to the public. The chapel is a perfect venue for a walk-in wedding and an excellent choice for a ceremony venue. The chapel is inside Maddy D's Cafe at 440 West Adams Street, Jacksonville, FL, 32202.
