August 29, 2022

August 29, 2022 -

Reed Maintenance Services Inc., a leading dumpster rental company in North Alabama is offering various size dumpsters for rent in areas such as Huntsville, Arab, Madison, Guntersville, Arab, Albertville, Alabama and more. The company has a very large inventory of 20 yard, 30 yard, and 40 yard dumpsters for residential and commercial needs.

For more information about the company?s service areas and dumpster size visit the company?s website here: https://www.reeddumpsters.com/

Reed Maintenance Services is a diversified company with over 30 years of experience in the industrial and construction arena. The company does everything from managing landfills, bio-solid management, dump truck hauling and heavy hauling, to dumpster rentals.

Dumpster rentals are an excellent solution for homeowners and business owners for their waste producing

projects such as kitchen renovations, basement cleanouts, and roofing projects to name a few. Dumpster rentals remove the stress of disposing of the waste. The dumpster rental company handles the proper waste disposal at a landfill. The homeowner or business owner only need to fill the dumpster, then notify the dumpster rental company when it is full and ready to be emptied. According to the company website, delivery, pick up, applicable taxes, and the rental period are included with the rental.

It is important to be aware of what materials are prohibited from being disposed of in a dumpster. There are local, state, and federal laws that governs the waste disposal industry. Violation of these laws can bring serious financial penalties to the violators. It is best to consult with the dumpster rental company for guidance. According to Reed Maintenance Services Inc. company website, some prohibited items are paint cans, aerosol cans, oil, tires, chemicals, sewage, hazardous wastes, liquids of any kind, and batteries.

Reed Maintenance Services Inc. makes ordering their service easy for their customers. The company has a state of the art website with an online booking system, which makes reserving a dumpster as simple as a few mouse clicks on a computer or smartphone. The company's office staff is always available to answer questions about its services from customers. They can assist customers in tracking their orders and keeping them updated at all times throughout the rental process.

Company representative, Shane Withey, stated, "We schedule a customer's rental as soon as the online application is complete. In most cases, the dumpster can be delivered on the same day or will be delivered within 24 hours of receiving a customer's completed order."

One only needs to look at some of the company?s online reviews to get a sense of the quality service Reed Maintenance Services Inc. is providing to their customer base. One recent Google reviewer stated, ?I highly recommend hiring Reed Maintenance Services, Inc. if you are looking to rent a dumpster. The team was amazing to work with! Ordering was very easy and the customer service was very helpful and knowledgeable. They had super fair prices and I was able to rent a dumpster for two weeks and have it delivered the next day. I will definitely be using them again in the future for our next renovation.?

This reviewer was so satisfied with the service that he gave the company a five star rating. Five stars is the highest rating a customer can provide on a company?s Google Business Page.
