London, UK ? Home moves don?t always go to plan, which is why one should expect more from a moving company. In order to help London residents with their removal needs, Best Rate Removals UK (www.bestrateremovals.co.uk) has just published a new blog post entitled 'London Removal Companies'.

The article discusses about how they offer a 24 hour, 7 day a week removal service, including Sunday mornings or bank holiday afternoons. They also offer off a free estimate on any removal job and they charge only a flat rate so there are no surprises when it comes to the end price. In addition, they are fully licensed and insured.?

?Superb service,? stated removal customer Matt Tylianakis. ?The two guys (especially Ivan!) were tireless and dedicated, especially considering our flat was on the second floor which meant carrying endless boxes downstairs. Also great that we could buy packing boxes from them, which they conveniently deliver to you at a time when you'll be home.?
