

McKinney Campus of Milestone Church Launching ?It's Worth It 2.0? Series

September 01, 2022

McKinney, Texas - September 01, 2022 -
The new It's Worth It 2.0 series, which Milestone Church McKinney Campus will launch on August 27 and 28, is open to both visitors and members. Everyone wants to know what God has in store for them. It's not simple, and things often don't go as planned. The series offers that Jesus knows the solutions.

Jesus experienced similar stress even though He lived on the other side of the world thousands of years ago. He not only acknowledged the problems people are having today, but He also provided workable solutions. Milestone Church invites guests to join in their most recent series, It's Worth It 2.0, as they explore what God's plan for each person looks like.

Follow these 3 simple steps to fully engage in the It's Worth It 2.0 series at Milestone Church McKinney: grab a book, attend the series, and gather with a group.

The new series is based on the It's Worth It 2.0 book by Pastor Jeff Little. The purpose of the series is to help everyone to understand the hidden value in God's plan for their lives. Participants will have fun learning about these topics in a group environment while also learning about the principles of Milestone Church McKinney

Campus by actively participating in a group.

Anyone interested is invited to lead a small group even if they havee never led one before. Milestone will provide all necessary resources, including Small Group Videos, a Leader Guide, and Activation Cards.

Key Dates & Times

To get the most out of the series, Milestone Church encourages attending each of the seven sessions. Participants can attend at The McKinney Campus or live online at live.milestonechurch.com.

The series began August 27-28, and small groups will launch the weekend of September 10-11.

Milestone also offers Values 301 and Financial Foundations as other possibilities for participants to connect in small groups if they are unable to participate in It's Worth It 2.0. On the Milestone Church website, visitors may find information about these groups, service times, and location maps.
