

Professional Background Screening Association Announces Accreditation Renewal for FirstPoint Background Screening Resources

September 08, 2022

September 08, 2022 - PRESSADVANTAGE -

The Professional Background Screening Association's (PBSA®) Background Screening Credentialing Council (BSCC) has announced that FirstPoint Background Screening Resources, a company based in Greensboro, NC, has demonstrated continued compliance with the Background Screening Organization Accreditation Program (BSOAP) and is therefore now recognized and reaccredited by the BSCC. FirstPoint first earned their Accreditation back in 2011 when the program began.

The background screening services provided by FirstPoint are of vital importance because every year, US organizations, employers, and governmental agencies ask for millions of consumer reports to help with their critical business decisions with regards to creating safe places to work and play as well as protecting vulnerable populations such as our children and the elderly. To know more about First Point, those interested can visit the FirstPoint Background Screening Facebook Page.

FirstPoint has achieved the reputation of being one of the top pre-employment background screening and ongoing employee monitoring companies. They provide their services to various clients from various places all over the world using the latest technology for employment screening services. The company has earned Customer Satisfaction awards for two years from the magazine HRO Today. As an accredited consumer reporting agency, FirstPoint is committed to comply with the highest level of standards in: information security, client education, legal and compliance, verification services standards, research and data standards, and business practices.

In a recent interview with Vice-President Scott Hall, he said, "We are pleased that the BSAAP has recognized FirstPoint continued commitment to ethical standards and adherence to FCRA compliance. This accreditation shows that you can maintain best practices in operational excellence while offering unique

solutions and customized products in the marketplace.?

Founded in 2003 as a non-profit trade association, the PBSA represents the interests of over 900 member companies from various parts of the globe that provide employment, tenant, and background screening services.
