

Freedom Fun USA San Antonio Offers a Range of Party Rentals in San Antonio, TX

September 02, 2022

September 02, 2022 -

Family-owned Freedom Fun USA San Antonio provides exciting party rentals in San Antonio, TX, and surrounding communities. The company's goal is to help families, schools, and local organizations create lasting memories by supplying top-quality event equipment to meet a variety of budgets, timelines, and guest lists. More information about the company's products, policies, and prices can be found online at <https://www.freedomfunusa.com/location/san-antonio-texas>.

Locals Elaine and Isaac Castillo launched Freedom Fun USA San Antonio hoping to provide their city with entertaining options for special events including birthdays, graduation celebrations, awards ceremonies, family reunions, business grand openings, corporate events, and other occasions. "Our family loves to plan, host, and coach, which will make your event the fiesta of the year!" the Castillo family said on the official company website.

Since its inception, the company has prioritized its commitment to excellent customer service, transparent

pricing, and open communication in an effort to develop long-term relationships with clients, local organizations, and other small businesses. Rental options are available for private or public gatherings held indoors or outdoors at customers' homes or event venues.

The company's mission to provide entertainment options to meet a broad scope of event needs begins with an extensive selection of inflatables, games, and concessions. The equipment available for rent includes archery tag, virtual reality games, bounce houses, A/V equipment, interactive games, and more. The company partners directly with industry-leading manufacturers to carry the highest quality products made with lead-free and fire-resistant vinyl. The units are inspected and sanitized before and after each rental to ensure ongoing safety for customers and longevity for the products.

One of the most popular rental items is a user-friendly halo photo booth selfie station with QR code capabilities for delivering photos directly to guests' email inboxes or messages. The photobooth begins at \$399 for pick up or \$599 if delivered directly to the venue. The inclusion of one of the company's experienced staff members begins at \$499 for one hour with additional time available at \$100 per hour. The photo booth has GIF, boomerang, and still photo options, giving guests options for sharing the event on their social media pages. The company delivers the photo booth for a range of events including weddings, networking happy hours, grand openings, and other festivities.

Audio and video equipment rentals are available including professional sound systems, projection screens, LED walls and trailers, HD projectors, and experienced technical support team members. This equipment is utilized for corporate presentations, awards ceremonies, large-scale parties, wedding-related events, and more. The company encourages inquiring customers to contact staff directly to receive a free consultation to discuss the specific A/V needs of their events.

The company's Google listing reflects positive customer experiences throughout the years. In one 5-star review, satisfied customer Edward Moreno said, "Great company for party entertainment with awesome customer service. From the time of inquiry to questions during the party, they promptly responded. If you're looking to have an amazing party Freedom Fun USA is the place to call. We hosted a party and rented the 18ft movie screen, popcorn machine, and laser tag game and our guests had the best time! They were talking about the party even days after."

Customer Marlo Martinez-Guerrero said, "WE LOVED THE WATER TAG experience! Thank you to the staff who communicated with us from beginning to end! It was our first time and it won't be our last! The staff attended to our kids with professionalism and care. Thank you Elaine and team for a fun time! We will see you all again!"

Pick-up and delivery options are available across the San Antonio metropolitan area. Interested parties are encouraged to browse the company website, view the Freedom Fun USA San Antonio social media pages, or read more about the business through its Google business profile. Call or text the company directly at (210) 890-4386.
