

McHenry Roofing Is Now Featured on Houzz

September 09, 2022

BALTIMORE, MD - September 09, 2022 - PRESSADVANTAGE -

McHenry Roofing, a company based in Baltimore, MD, is happy to announce that they are now featured on Houzz, which is a website where they can showcase past projects and attract new clients. In Houzz, McHenry Roofing is listed as a provider of services for roofing and gutters. Their services listed include: composition roofing, gutter installation, asphalt shingle roofing, metal roofing, roof flashing installation, gutter repair, roof inspection, roof installation, roof flashing repair, roof replacement, rubber roofing, roof repair, skylight repair, slate roofing, skylight installation, tar and gravel roofing, torch down roofing, soffit installation, and vinyl siding.

Joseph Conley, owner of McHenry Roofing, says, "As one of Baltimore's top-performing, most trusted and experienced roofing companies, we want you to know that we are dedicated to providing the quality service you deserve along with the kind of roofing craftsmanship you can depend on. What stands us apart from the competition is that our customers have been our greatest advocates, recommending us to family, friends, and friends of friends. Whether you are a first time customer or an old time friend, we work to provide quality roofing services that are beyond expectations."

McHenry Roofing wants to point out the various factors that differentiate them from other roofing companies in the area. These include their: in-house roofing crew; free consultations; quick estimates; best warranties in the industry; top quality roofing materials; on-site project management; prompt and reliable service; and the fact that they are a locally owned and operated business.

The typical services they provide are: pitch roof installations, commercial roof installations, and flat roof installations. They frequently provide their services for rowhouses in in Baltimore, which usually have flat roofs. They also provide their services for houses in Baltimore with shingle roofs of various types and colors.

With regards to how customers view the kind of roofing services they have been providing, they have several testimonials from customers on their website. One such testimonial was given by Jessica Vance who said, "McHenry Roofing was professional from start to finish. Recently had a roof replacement completed on our Baltimore City rowhome. The contractor was honest and upfront about every aspect of the job. The roofers were pleasant, communicative, and trustworthy, making them an excellent team to entrust with such a vital task as our roof. We are very happy with our new roof and would call McHenry Roofing for any future projects and friend/family referrals."

In another testimonial, Stephanie Durdane said, "I recently had my roof replaced by McHenry Roofing. I have had problems with the roof for years and tried many companies come out to patch the leaks. Eventually I said enough was enough and gave a few companies calls for quotes. McHenry Roofing had the best warranty and a fair price. Their customer service and work were excellent. I will recommend them to any Baltimore homeowner who needs a flat roof replaced."

McHenry Roofing is a company that is located in Baltimore, MD, that has over 3,000 customers as of 2007 and has been providing a complete range of roofing services for more than 27 years.
