Nestled in the heart of Portugal, this UNESCO World Heritage Site is home to some of the most acclaimed wineries in the world. Sommelier Tours offers curated and customised wine tours of the Douro Valley, led by experienced local sommeliers. The Douro Sommelier Tour provides an intimate journey that allows for a more exclusive wine-tasting experience than public tours. This makes Sommelier Tours perfect for those who seek deeper knowledge of winemaking. The goal is to bring the participants closer to the local wine-making culture, the people, and the stories that make this region so special.

The full-day Douro Valley tour includes premium transfers with a Mercedes vehicle, lunch at top-rated restaurants, and of course, wine tastings at some of the most coveted local wineries in the Douro Valley. The

tour also allows guests to purchase wine directly from the producers. Participants can complete their tour experience with private visits to renowned Quintas - the local country estates that produce Port wines.

The Douro Valley Tours by Sommelier Tours offers an authentic, one-of-a-kind experience for wine lovers to immerse themselves in the culture and history of one of the world's best wine regions and learn the art of wine-making by Portuguese experts. The tours are ideal for couples, families and friends up to four people at a time. They may include a private boat tour in River Douro or a tour in a vintage chauffeured vehicle.
