Custom Jewelry & Watches by 3:16 Jewelry and Watch Boutique

Alpharetta, Georgia: 3:16 Jewelry and Watch Boutique in Alpharetta, GA, believes that jewelry should be more than just a pretty trinket. Jewelry should be personal, reflective of the wearer's unique story, and something that people feel a real connection to. Based on that belief, this local fine jewelry store offers high-quality, custom jewelry designs that shine bright and turn heads.

3:16 Jewelry and Watch Boutique remains loyal to its original mission of creating beautiful, one-of-a-kind jewelry pieces that are soulful and tailored entirely to their unique wearer. Respecting and praising the tradition and craftsmanship of fine jewelry creation, this local jewelry designer in Alpharetta brings exquisite, modern and cosmopolitan designs into life with its customized jewelry creations.

The boutique's personalized jewelry collections are an ode to those who appreciate luxury and individuality

and want to inspire and impress with their appearance & personality. Their skilled jewelry designers can customize everyone's jewelry ideas with engravings, birthstones, or other unique details, resulting in heirloom jewelry passed down through generations.

Typically, the custom jewelry process starts with a consultation in their atelier to discuss the client's desired style, budget, and timeline. From the initial sketch to the final product, the team at 3:16 jewelry boutique ensures customers are 100% satisfied. At 3:16 Jewelry & Watch Boutique, we understand the value of the almighty Dollar, and we understand the hard work that goes into earning them. That's why we strive to bring you the best deals for luxury jewelry, say 3:16 Jewelry and Watch Boutique's designers.

Apart from trying to accommodate their customers' budgets, the jewelry designer is known for using the finest materials to handcraft pieces with great attention to detail. Gemstones, diamonds, pearls, and other precious materials are selected for their beauty and quality and then set into stunning designs that are both artful and wearable.
