Artisan Vapor & CBD Addison, located in Addison, TX is excited to announce that they have all the best high-quality delta 8 THC products available for anyone in the North Dallas, Texas area searching for ?delta 8 near me? in their search engine of choice. Anyone in their neighborhood of Texas who wants to experience the effects of delta 8 THC, which has grown in popularity due to its similarity to delta-9 THC, the intoxicating compound in the cannabis plant that is also believed to have medical benefits.

Delta 8 THC is sometimes thought of as THC ?lite? because its effects, while similar to those of delta 9 THC, are far less potent. Where delta 9 THC is naturally occurring in the cannabis plant, delta 8 THC is extracted from CBD found in either cannabis or THC-free hemp plants.
