Jacksonville, FL - Rainbow Notary and Nuptials is opening its walk-in wedding chapel in Jacksonville, Florida, for all couples

The Rainbow Wedding Chapel is located across from the Duval County Courthouse at 440 W Adams Street in Downtown Jacksonville, Florida. The walk-in chapel is a perfect venue for couples who want to tie the knot in an instant.

Couples can take the premarital class through their page and skip the three days wait. The company has teamed up with a professional to conduct the premarital course online. After taking the class, couples can get a marriage license and get married within the day at the Rainbow Wedding Chapel. The ceremony costs only \$100. Their ceremonies include a keepsake certificate, approximately 30 photographs, and a couple more surprises. To make it easier for couples, they also accept all credit cards and Apple Pay.

The Rainbow Wedding Chapel is considered North Florida's most inclusive and affordable solution for wedding planning. They can marry couples as an ordained minister or as a Florida commissioned notary.

"We have several ceremonies to choose from: with or without prayer, with or without rings. These options can include prayers of any faith or none. This is your wedding ceremony and will be created just for you," the company states. The Rainbow Wedding Chapel even has a "married in a minute" ceremony. After the ceremony, they file the license with the Clerk of Courts.

The wedding chapel has two unique indoor settings: a beach wedding or a garden chapel. Their beach wedding setup involves sand and a boardwalk setup to ensure that no rain is going to ruin their clients' wedding day. Their garden setting is on the grass with a background of a lovely flower wall and topiary boxwoods, as well as a stone wall. Their indoor chapel is warm in the winter and cool in the summer.

The Rainbow Wedding Chapel is available Monday through Friday from 10 a.m. until 5 p.m. They can also have special arrangements outside of these regular business hours.

Rainbow Notary and Nuptials likewise offer full-service wedding officiating services via their main business and website, <https://rainbownotaryandnuptials.com>. "We have experienced wedding officiants across Florida to serve you. We are marrying everyone under the rainbow," they add.
