September 19, 2022 -

Locally owned and operated Resource Dumpster provides affordable and practical alternatives for the dependable dumpster rental DeKalb IL home and business owners rely on. To support residential and commercial projects on a short- or long-term basis, the company provides a variety of size options. The business is committed to finding dependable waste disposal solutions for its wide customer base, regardless of the size or scope of a project.

Resource Dumpster's founder Richard McDonald established the business with the intention of offering his DeKalb and surrounding communities reliable and trustworthy services. Richard said, "As a family-owned business, we recognize the urgency and value of minute details like promptness, crystal-clear communication, and transparent pricing. Our entire team works with great care to support the efforts of our clients on a short or long-term basis.?

DeKalb IL dumpster rentals are used to achieve a variety of project goals, including home cleanouts,

driveway demolitions, landscaping projects, roofing repairs or replacements, housing developments, furniture removal, downsizing, foreclosures, and other activities, according to the official company website. Resource Dumpster collaborates with business owners, contractors, residents, and individuals to support their one-time or ongoing waste management requirements with durable and simple-to-load roll-off containers.

The company provides customers with a choice between three container sizes: 10-yard, 15-yard, and 20-yard. The 10-yard costs $370 to rent for a maximum of seven days and includes one ton of waste removal in the base price. It is 3.5' high by 7.5' wide by 14' long. The 15-yard container costs $400 for up to seven days of rental time with two tons of waste removal included in the base price. It is 4.5' high by 7.5' wide by 14' long. The 20-yard container costs $450 for up to seven days of rental time, with three tons of waste removal included in the base price. It is 6' high by 7.5 wide by 14' long. Additional days and weight can be purchased for $10 per day and $60 per ton, respectively.

Construction debris, furniture, yard waste, appliances, and other types of general waste can all be hauled by the company's industry-leading bins. No prohibited materials, such as flammable liquids, may be loaded into the containers. Direct access to the company's full list of prohibited items is available by contacting the Resource Dumpster team directly.

The business provides services throughout much of northern Illinois, including DeKalb, DeKalb, Aurora, Kirkland, Belvidere, Dekalb, Sycamore, Huntley, Plano, Sandwich, Loves Park, Machesney Park, Cherry Valley, Marengo, Poplar Grove, Calidonia, Genoa, Suburb, Hampshire, Burlington, St. Charles, Waterman, Hinckley, Roscoe, Rockton, South Beloit, and Byron. Usually, delivery outside of these regions can be arranged for an extra cost.

The company maintains a five-star rating on its Google business profile. On its Google business profile, the company consistently receives five stars. Many of the reviews listed note the services provided by the business are helpful and dependable, and its pricing structure is reasonable. Customer Skyler Johnson said, ?Rich was very accommodating to what we needed for a dumpster. Very prompt and no hassle. Will definitely be using him again for our future dumpster rentals.?

Another 5-star review from customer Kathy Burman focused on the company?s prompt delivery. Kathy said, ?The service was extremely fast and efficient. Would recommend them to everyone. Will certainly use their services again. They even answered the phone! Worth ten stars in my book. Thanks again!?
