The range of services offered by Cosmic Jumpers has earned the company great praise from its range of customers. Gina O'Connor writes in a recent review, "Great customer service and communication! They sent reminders and even called when they said they were going to! They showed up on time (actually early) and were very pleasant. The set up and breakdown only took a few minutes. I would totally recommend them and will use them next time I need a bounce house!"

In another positive review, Leonardo Vera writes, "Cosmic Jumpers delivers professionalism and excellent customer service. They arrived on time to set up and pick up. Their products are amazing, and I love that it's always a one-stop shop. My wife and I rented from them last year for our two and three-year-old toddlers' birthdays as well as our son's 9th birthday. They are officially our go-to now. So, this year, we did not hesitate to book with them in advance for our girls' birthday party. We rented the biggest water slide we have ever seen, and not only did the kids have fun but so did us adults. We also rented a cotton candy machine and a

snow cone machine. Everything was a big hit. Thank you so much, Cosmic Jumpers, for always delivering! Interested parties are encouraged to read more reviews at <https://goo.gl/maps/ser1d1AwjSarD3Zf7>.
