?We have been buying homes for cash for a very long time. Over the years, we?ve never pushed people to sell their homes to us or accept our offer. In other words, we buy houses Modesto on the seller?s terms. What that means is we will close when they want us to; the sellers, in other words, choose the date of the sale. That said, the seller is under no pressure to sell today, tomorrow or next week. It is up to the seller to decide when they accept our offer,? said one of the representatives for Property Lark.

She added, ?Property Lark makes fair cash offers based on prevailing market prices and the condition of the home in question. That said, sellers don?t need to spend time and money fixing or cleaning the home before handing it over to us.?
