The dog clothes raincoat is made with PVC and is luminous for better visibility at night. There are 8 available sizes that accommodate both small and large dogs. Five colors are available. Their waterproof big dog vest is for autumn and winter and is available in green, blue, red, and pink. One of the suit styles is suitable for Chihuahua, Yorkshire Terrier, Pug, and Shih Tzu. The other suit style is for Pomeranian, Golden Retriever, and Pitbull. Sizes available are S, M, L, XL, XXL, 3XL, 4XL, and 5XL.

The slow feeder bowl is for dogs who eat too fast. Eating too fast can cause the dog to vomit and even suffer from gas and bloat. While bloating may be a temporary health problem for people, it can be a life-threatening medical condition for dogs. This is because a bloat exerts pressure on the intestines and surrounding organs, such as the liver and gall bladder. This slows down blood flow and may cause the dog to go into shock.

They also provide dog collars and leads.
