October 03, 2022 -
Locally owned and family-operated company Martibirds Inflatables offers exciting Houston TX bounce house and inflatable rentals to provide entertainment at large-scale community events, including festivals, carnivals, field days, fairs, and other events. Those interested in booking inflatables and bounce houses built to entertain large groups are encouraged to view the company website and schedule delivery online.

According to the company?s official Facebook page, it recently added several new bounce house rentals to its growing inventory, including holiday-themed units, combo slide bouncer rentals, inflatable games, obstacle courses, mechanical rides, and more. The company is excited to provide popular themed options for every age group and demographic, showcasing trendy TV shows, movies, and other styles.

One of the most popular bounce house rentals for large events is the Carnival Frenzy bouncer, complete with a light-up Ferris wheel effect. This 5-in-1 combination bounce house includes a traditional bouncy area,

obstacle course, carnival game, slide, and lights, and begins at $325 for up to eight hours of rental time. The required setup area is 22ft wide by 27ft long by 20ft tall and the actual dimensions for the unit are 20ft wide by 22ft long by 18ft tall. This exciting and eye-catching rental requires one standard outlet to operate and is often booked for neighborhood block parties, vendor fairs, community festivals, and school carnivals.

Another enticing option to help keep large crowds entertained is the Star Wars Millenium Falcon-themed bounce house. The required setup area is 40? long by 35? wide by 17? high and the actual size of the unit is 35? long by 30? wide by 15? high. This rental begins at $975 for up to eight hours of rental time and features multiple bouncy areas and obstacle courses within the inflatable ship. This larger-than-life unit requires two outlets and is often rented for school field days, community festivals, family reunions, and other gatherings.

The company enjoys partnering with local businesses, community organizations, school districts, clubs, churches, and other groups to provide cost-effective and convenient rentals that cater to crowds of all ages. Martibirds Inflatables works directly with industry-leading manufacturers to provide high-quality, durable inflatable rentals made with safety and fun in mind. The company?s rentals are built with lead-free and fire-resistant vinyl and each bounce house features an inflatable ramp for easy entry and exit. Each rental features mesh windows to support adequate ventilation and supervision from monitoring adults.

Martibirds is happy to offer delivery to a broad scope of the Houston metropolitan area, including Spring, Cypress, The Woodlands, Pearland, Pasadena, Sugar Land, League City, Conroe, Missouri City, and the Gulf Bay area, including Baytown. Those seeking bounce houses in Houston TX outside of the listed region are encouraged to contact the company directly to see if special accommodations can be made.

The company holds a 5-star rating on its official Google business profile with over 300 positive reviews to date. Customer Farrice Taylor said, ?Such a great experience!! Very responsive and great customer service. The rentals were everything we expected and more. I highly recommend this company and we will definitely be using them again!!!?

Another happy customer, Sherri Durand, said, ?We are repeat customers with Jason, who always works to fill our order. The tech set up and break down punctually. And payment is easy and convenient. I will always choose Martibirds for my inflatables needs.?

The company is confident it carries the ideal bounce houses Houston TX schools, churches, community clubs, and families will enjoy at any large event, no matter the scale or scope.
