

Auto Injury Lawyer Near Me in Orange Offers Legal Advice to Truck Accident Victims

October 25, 2022

Orange, California - October 25, 2022 - PRESSADVANTAGE -

Napolin Accident Injury Lawyer Orange County, an auto injury law firm based on Orange, CA, wants to point out that they can offer legal advice to injured parties in a truck accident. When a truck collides with smaller vehicles, such as a motorcycle or a car, chances are those riding the motorcycle or car will have serious injuries that will cost a lot to treat aside from the long time it would take for the injured victims to recover. When looking for a car or motorcycle accident lawyer near me Orange residents can request for a consultation with Napolin Accident Injury Lawyer Orange County since they have a lot of experience in handling such cases.

Alexander D. Napolin says, "After a truck accident, injured parties are often left traumatized. If you or a loved one has been involved in a truck accident, it's best to consult with an experienced truck accident attorney. An experienced truck accident attorney will gather all of relevant information, including traffic violations, employee contracts, police reports, witness statements and other information to assess whether or not you have a viable claim. Our client-focused Orange legal team is ready to provide answers to all of your questions."

When truck accidents happen, the consequences can be devastating. But in California, injury victims have the burden of providing the evidence that the truck driver was negligent. Proof must be provided that the victim's injuries, lost earnings, lost earning capacity, need for medical treatment, property damage, out-of-pocket costs, and the pain and suffering, were due to an issue with the truck driver. Evidence will be in the form of photographs, video recordings, proofs of vehicle damage, medical evidence, physical therapy notes, and other medical notes that indicate the extent of the injuries sustained. And lastly, expert opinions must be offered in support of the claim, including eyewitness testimonies.

And when in need of a injured child lawyer Orange residents can also depend on Napolin Accident Injury Lawyer Orange County. While children are less likely to suffer from permanent health issues in an auto accident because their bodies are more malleable compared to the bodies of adults, a child injury can be severe and affect the child's quality of life forever. Parents will need to be on the lookout for symptoms of bodily harm. Consulting with a family doctor or chiropractor is a necessity after a truck accident or any other kind of motor vehicle accident. Failure to do so may result into lifelong consequences for the child. Some of the symptoms to look for are back or neck pain, headaches, and nightmares.

Parents of an injured child are encouraged to consult with an injury lawyer who understands kids. Attorney Napolin had a lot of experience working with children and their families when they handled the case of the children and families that were catastrophically injured in the Children's Dental Group, Anaheim Lawsuits. This is important because unique issues can affect children. Their injuries can result into severe mental suffering that they may carry with them for their entire lives.
