MVP Accident Attorneys Announces Expansion of Their Service Area To Include Santa Ana, CA

October 06, 2022

October 06, 2022 -
MVP Accident Attorneys has announced that it will be providing personal injury legal services in Santa Ana, CA. The firm has a long history of representing injured clients and insurance claimants. The addition of personal injury services will help MVP serve even more clients in the years to come.

Personal injury law is important for personal injury victims in Santa Ana, CA, because it provides a legal avenue for those individuals to seek compensation for the damages they have suffered. In addition to financial compensation, personal injury law also allows victims to seek justice for the wrongs that have been done to them.

The population of personal injury victims who live in Santa Ana, CA, needs personal injury services as part of personal injury law. Some observable facts about this population include: they often require assistance after an accident or injury, they need access to quality personal injury services, and these services are crucial to their well-being and recovery. A strong personal injury law firm can make all the difference for these victims. Especially injury law firms, which are dedicated to helping their clients get the best possible outcome in their case. They have a wealth of experience and knowledge when it comes to personal injury law, which allows them to provide top-notch representation to their clients.

The most common type of personal injury claim is for medical expenses. The next most common type of claim was for lost wages, which made up 15% of all claims. Other common types of claims were for pain and suffering (12%), property damage (11%), and emotional distress (10%). In 2019, there were over 700,000 personal injury claims filed in the United States. (Source: National Center for State Courts) In 2019, 5,986 personal injury victims lived in Santa Ana, CA. Of these victims, 2,715 required personal injury law services, and 2,271 required personal injury services. These numbers come from the Bureau of Justice Statistics' report on "Personal Injury Victimization in the United States, 2009-2018."

MVP Accident Attorneys is a personal injury law firm that offers a wide range of services to those who have been injured in an accident. Their team of experienced attorneys has over 17 years of experience helping personal injury victims get the compensation they need. They are dedicated to providing every client with personal attention and support and work on a contingency fee basis, so personal injury clients only pay something if they win the case. They offer convenient payment plans and are available 24/7 to answer any questions or concerns about the case.

"MVP Accident Attorneys has always been a strong advocate for the injured and insurance claimants. We're excited to add personal injury services to our repertoire, as it will allow us to help even more people in Santa Ana, CA. Our team of experienced attorneys understands the complexities of personal injury law and will work tirelessly to get you the compensation you deserve," says Brett Sachs, MVP Accident Attorneys.

MVP Accident Attorneys focus on a select group of personal injury areas. This means that the attorneys at MVP have extensive experience in dealing with insurance companies, understanding the common causes of accidents, and developing strategies that work. This allows MVP to provide quality legal service to their clients.
