October 11, 2022 -
Dundalk-based waste disposal company 86 Dumpster offers online booking through its user-friendly website. Those interested in learning more about the company or reserving a dumpster rental in Dundalk are encouraged to visit the official company website to schedule a delivery.

Owner Paul Boggs founded his company to be the one-stop dumpster rental shop for homeowners, contractors, property managers, business owners, and individuals seeking cost-effective and convenient waste removal services in Dundalk, MD, and surrounding areas communities. ?Our ultimate goal is to make it easier to get rid of the waste without breaking the bank,? Paul said. ?It should be simple and straightforward to have a heavy-duty bin delivered to your location, which is exactly what our business specializes in.?

The company offers online scheduling through its interactive, easy-to-use website. Using a smartphone, tablet, or other device connected to the Internet, customers can click on the ?Dumpster Rental? tab to view the available bin options then click the ?Book Now? button next to the bin of their choice. Users can then

review specifics including dimensions, rental timeframe, tonnage included, and any available photos before clicking the ?Add to Cart? button. Customers will then be prompted to select their service type (residential or commercial), choose the drop-off and pick-up date, then review the total. Customers can then click the ?Checkout? button, input pertinent billing and contact information, and digitally sign the acknowledgment agreement before submitting payment using any major credit card and the company?s secure system.

Once payment is submitted, the customer will receive a confirmation email from 86 Dumpster with a digital copy of the signed agreement and receipt. A staff member will be in touch leading up to the drop-off date to confirm a delivery window that is conducive to the customer?s schedule and specific rental needs. Reservations can also be made by calling the company office directly.

The company offers six container size options, including 10-yard, 12-yard (dirt or rock only), 15-yard, 20-yard, 25-yard, or 30-yard bins. The 10-yard begins at $370 for up to seven days of rental time with one ton of waste disposal included in the base price. The 12-yard begins at $550 for up to three days of rental time with 12 tons of waste disposal included in the base price. This option is for dirt and rock only. The 15-yard begins at $425 for up to seven days of rental time with 1.5 tons of waste disposal included in the base price. The 20-yard begins at $475 for up to 10 days of rental time with two tons of waste disposal included in the base price. The 25-yard begins at $419 for up to four days of rental time with 1.5 tons of waste disposal included in the base price. The largest container, the 30-yard, begins at $525 for up to 10 days of rental time with three tons of waste disposal included in the base price. Additional days and extra weight are available for purchase if necessary.
