New York City child custody lawyer Juan Luciano (https://divorcelawfirmnyc.com/child-custody-lawyer/) releases a new article explaining the different types of child custody in New York. The lawyer mentions that in a divorce, the children?s welfare should always be the top priority of the parents. The marriage may be irreparable but the emotional and physical safety of the children will continue to be the couple?s responsibility after the divorce.

?In New York, laws are set up to protect the best interest of the child. Child custody lawyers and the courts will take a close look at the physical, emotional, and financial family dynamics in order to ensure that the children are best served in any custody determination,? the New York City child custody lawyer says.

The lawyer adds that in some divorce cases, parents tend to forget about the best interests of their children because they?re too caught up in their own feelings of pain. The legal system in New York is designed to be the objective third party when dealing with the child?s best interests. Courts determine custody based on the

findings of what will ultimately be best for the child?s emotional and physical welfare.

Attorney Juan Luciano explains that there are two main types of child custody in New York: sole custody and joint custody. Sole custody is an arrangement that allows one parent to make decisions about their children. The other parent may still have the right to weigh in but it is ultimately the custodial parent who will have the final say.

In the article, attorney Luciano also explains joint custody. He says, ?Joint child custody is one where both parents and sometimes other caregivers share the decision-making authority with regard to the children. Joint custody requires that parents communicate effectively in order to consider what is best for the child.?

Lastly, attorney Juan Luciano believes that having a skilled attorney in matters such as child custody and divorce makes all the difference. A skilled attorney may be able to help the client receive a more favorable outcome in the divorce case.
