

Omaha Dumpster Rental Company 402 Container Offers Convenient Online Booking Options

October 14, 2022

October 14, 2022 -

Locally-based Omaha dumpster rental company 402 Container is excited to announce quick and convenient online booking options using its state-of-the-art website. Dumpster rentals are utilized to help contain and transport waste for a range of residential and commercial projects, including repairs, renovations, cleanouts, demolitions, and developments. Those interested in learning more about the company?s roll-off inventory, processes, or other information are encouraged to visit the official 402 Container website.

Owner Tim Lowndes began his company with the hopes of creating a streamlined process for reserving and scheduling dumpster rentals in Omaha and nearby communities. ?It should be as simple and straightforward as possible to get a dumpster delivered to your property or work site,? Tim said. ?Our team has made shopping for dumpsters just as easy as ordering groceries or buying new clothes online. Take a look at our website and you?ll be blown away by how quickly you can reserve one of our heavy-duty dumpsters to help get your project rolling.?

Roll-off container rentals are utilized for residential and commercial projects alike, including home cleanouts, foreclosures, roofing replacements, housing developments, and other short or long-term waste management projects. The company emphasises the importance of being able to schedule a delivery online so that customers can focus on the task at hand.

Those interested in making a reservation can navigate to the company website and click the black ?Book Now? button in the upper right corner to begin the process. Customers can view available dumpster size options (12-yard, 15-yard, and 20-yard) and then click the black ?Book Now? button next to the price point of the size of their choosing. Users can then review important details like dumpster dimensions, the rental timeframe, tonnage included, and any potential extra charges for additional went and rent time before clicking the black ?Add to Cart? button.

Customers will then be prompted to choose drop-off and pick-up dates before navigating to the cart page. If the subtotal and listed details are suitable, customers will then be prompted to ?Continue Shopping? to add other rentals to the cart or click the ?Checkout? button in the lower right corner. When checking out, the user will input contact and billing information in the first column, dumpster placement information in the second column, and important information like a description of waste and any additional comments in the third column. The customer will then digitally sign the terms and conditions agreement after reading then click the ?Continue? button to submit payment with any major credit card.

The customer will receive a confirmation email with a digital copy of both the receipt and signed agreement to review at their convenience. A member of the 402 Container team will then be in touch leading up to the delivery date to confirm a drop-off window that works best for the customer. It is not necessary for the customer to be present during the delivery if adequate instructions are provided beforehand and all potential obstructions are removed from the property or work site. If any questions arise, they are encouraged to contact the company directly via phone or email before the delivery date.

The company offers delivery to a broad scope of Omaha and surrounding areas, including Gretna, Valley, Bellevue, Waterloo, Papillon, Bennington, Fremont, Ralston, La Vista, and other communities. If customers need delivery outside of the listed area, they are encouraged to contact 402 Container staff to see if arrangements can be made in their area.

Those seeking an easy method for completing dumpster rental reservations are encouraged to visit the company website and use the online booking tool, or contact the company directly via phone, email, or the inquiry form on the ?Contact? page of the website.
