They are very respectful with dropping off the dumpster, listen to instructions, and very clean dumpsters. Dumpsters are all well painted on the exterior so it's not an eye sore and they do not smell. 413 Dumpster was very prompt on dropping off the dumpster and picking it up. We ended up asking for a couple extra dumpsters from them as we ran out of space, but they were extremely accommodating and helpful with our last minute request. Highly recommend."

Another positive review notes the company's straightforward communication and reasonable prices. Aly Pouliot said, "413 Dumpsters is the absolute way to go. If you want a company who is honest, doesn't hide anything, and has great pricing then look no further. Everything was as smooth as could be with our dumpster drop off and pick up. Instead of picking up the dumpster first thing in the morning on pick up day we were able to utilize it for the whole day until later afternoon. After hearing other people's experience with 413 dumpster I was not the least bit concerned with anything. I will absolutely rebook I'm the future when needing dumpster services."

Many of the reviews comment on the company's quick response time and affordable prices while others mention the ease of navigating the company website and booking a dumpster rental within minutes. Happy customer CG said, "Easiest dumpster rental ever! Loved the online booking system and clear pricing. The driver called ahead as promised to let us know they were on the way. Info on website and dumpster lets you know what you can and can't throw in. Text/email reminders about the pickup date. Would definitely use again."
